IEEE Journal of Solid-State Circuits: A Prestigious Publication**

The IEEE Journal of Solid-State Circuits (JSSC) is a highly respected and influential publication in the field of electronics. Here are some key details about JSSC:

Ranking and Impact Factor

- **IEEE Ranking:** 3rd among IEEE journals in the Electrical & Electronics Engineering category
- **Impact Factor (2022):** 16.683

Abbreviation and Prestige

- **Abbreviation:** JSSC
- **Prestige:** Publishing in JSSC is considered prestigious and a significant achievement in the field.

IEEE Journal Quality

IEEE journals are generally considered to be of high quality. They undergo rigorous peer review and are published by the Institute of Electrical and Electronics Engineers (IEEE), a leading professional organization in the field.

Impact Factor of IEEE Magazine

The impact factor of an IEEE magazine varies depending on the specific magazine. However, IEEE publications generally have high impact factors, indicating that their

articles are widely cited and have a significant impact on research.

Impact Factor of IEEE Conference Paper

The impact factor of an IEEE conference paper is also variable, depending on the conference. However, IEEE conferences are typically well-respected and publishing in them can enhance an author's reputation and visibility.

IEEE Access Impact Factor

IEEE Access is a multidisciplinary open access journal published by IEEE. Its impact factor (2022) is 6.064.

History and Meaning of IEEE

- **Etymology:** IEEE stands for Institute of Electrical and Electronics Engineers.
- **Origin:** The name was adopted in 1963 after the merger of the American Institute of Electrical Engineers (AIEE) and the Institute of Radio Engineers (IRE).

Full Name of IEEE Journal

The full name of the IEEE Journal of Solid-State Circuits is "IEEE Transactions on Solid-State Circuits."

IEEE Rankings

IEEE journals are ranked based on their impact factors and other metrics. The rankings vary depending on the specific category.

Quality of IEEE Access

IEEE Access is a multidisciplinary journal that publishes articles across a wide range of engineering and technology fields. Its quality is generally considered to be good, although it may not be as prestigious as some of the more specialized IEEE journals.

TCAS II Impact Factor

TCAS II refers to "IEEE Transactions on Control Systems Technology: Applications and Practice." Its impact factor (2022) is 8.029, indicating that it is a highly respected journal in the field of control systems.
