## Download Complete File

**What is the summary of an economist gets lunch?** Mr. Cowen is a right-leaning economist and a contrarian foodie. He takes aim at a fat target: food-world pretentiousness. He attempts to skewer the slow-food, eat-local and eat-fresh movements; to him, they're expensive and snobbish.

**What were the two lessons Learnt by economists briefly summarize?** The economists and politicians learnt two key lessons from the inter-war economic experiences. (i) First, an industrial society based on mass production cannot be sustained without mass consumption. (ii) There was a need for high and stable income which depends on full employment of the people.

**Why do economist say there is no free lunch?** Key Takeaways. "There ain't no such thing as a free lunch" (TANSTAAFL) is a phrase that describes the cost of decision-making and consumption. TANSTAAFL suggests that things that appear to be free will always have some hidden or implicit cost to someone, even if it is not the individual receiving the benefit.
