The Revised Fundamentals of Caregiving: GolfTownORE

Q1: What is the Revised Fundamentals of Caregiving? **A1:** The Revised Fundamentals of Caregiving (RFC) is an innovative curriculum that provides caregivers with the knowledge and skills needed to provide quality care to people living with dementia.

Q2: What key concepts are covered in the RFC? **A2:** The RFC encompasses a comprehensive range of topics, including communication techniques, behavior management, environmental modifications, and ethical principles. It emphasizes a person-centered approach that respects the unique needs and preferences of each individual.

Q3: How does the RFC benefit caregivers? A3: Caregivers who complete the RFC gain a deeper understanding of dementia and its impact on individuals. They develop practical skills to manage challenging behaviors, reduce caregiver stress, and improve the quality of life for those they care for.

Q4: Who is eligible for the RFC? A4: The RFC is designed for unpaid caregivers, such as family members, friends, or neighbors, who provide care to individuals living with dementia. It is also beneficial for healthcare professionals seeking to enhance their knowledge and skills in this area.

Q5: Where can I access the RFC? A5: The RFC is offered through GolfTownORE (Going Our For Life, Opportunities, Recreation, Education), a not-for-profit organization dedicated to supporting individuals living with dementia and their caregivers. Visit their website at www.golftownore.org for more information and to register for upcoming RFC workshops.
