The Hobbit Questions by Chapter

Chapter 1: An Unexpected Party

- **Q:** Who is the main protagonist of the story?
- **A:** Bilbo Baggins
- **Q:** What is Gandalf's mission?
- **A:** To reclaim the Lonely Mountain from Smaug the dragon
- **Q:** Who are the twelve dwarves who join Gandalf's company?
- **A:** Thorin Oakenshield, Balin, Dwalin, Fili, Kili, Oin, Gloin, Dori, Nori, Ori, Bifur, Bofur, and Bombur

Chapter 2: Roast Mutton

- **Q:** What happens when the dwarves arrive at Bilbo's house?
- **A:** They eat a lavish feast and drink all of Bilbo's ale

- **Q:** Why is Bilbo concerned about leaving his home?
- **A:** He is a hobbit who values comfort and routine
- **Q:** What does Gandalf give Bilbo as a parting gift?
- **A:** A sword called Sting

Chapter 3: A Short Rest

- **Q:** What difficulties do the company face during their journey?
- **A:** Rain, cold, and hunger
- **Q:** Who does Bilbo overhear talking at the campfire?
- **A:** Gandalf and Thorin discussing Smaug's weakness
- **Q:** What does Bilbo discover in the darkness?
- **A:** A ring that renders him invisible

Chapter 4: Over the Hill and Under the Hill

- **Q:** What happens when the company encounters trolls?
- **A:** The trolls capture Bilbo and the dwarves and attempt to cook them
- **Q:** How does Gandalf save the company?

- **A:** He distracts the trolls until sunrise, turning them to stone
- **Q:** What treasure do the dwarves find in the trolls' cave?
- **A:** Swords, knives, and a map of the Lonely Mountain

Chapter 5: Riddles in the Dark

- **Q:** Who captures Bilbo and the dwarves in the Misty Mountains?
- **A:** Gollum, a creature who lives underground
- **Q:** What is Gollum's obsession?
- **A:** The ring that Bilbo found
- **Q:** How does Bilbo escape from Gollum?
- **A:** By using the ring to become invisible and taking Gollum's boat

The Great Gatsby Annotated: Exploring Fitzgerald's American Epic

Paragraph 1: Question: What is the significance of the novel's setting in the Roaring Twenties? **Answer:** The Roaring Twenties, a period of economic prosperity and social upheaval, serves as a backdrop that reflects the characters' attitudes and the themes of wealth, materialism, and the pursuit of the American Dream.

Paragraph 2: Question: How does the character of Nick Carraway impact the story's narrative? **Answer:** As the narrator, Nick provides a detached and objective perspective on the events unfolding at Gatsby's mansion. His observations shed light on the characters' motivations and the values they represent.

Paragraph 3: Question: Why is Gatsby's love for Daisy Buchanan so tragic?

Answer: Gatsby's love for Daisy is doomed from the start due to the insurmountable social and economic barriers between them. Daisy's superficiality and desire for status ultimately outweigh her affection for Gatsby.

Paragraph 4: Question: What is the symbolism of the green light at the end of Daisy's dock?

Answer: The green light represents Gatsby's unattainable dream of love and happiness with Daisy. It symbolizes the hope and longing that drives Gatsby's actions and ultimately leads to his demise.

Paragraph 5: Question: How does Fitzgerald's writing style contribute to the novel's impact?

Answer: Fitzgerald's lyrical prose and evocative descriptions create a vivid and immersive reading experience. His use of metaphors, similes, and imagery helps to convey the characters' emotions and the themes of the novel.

Does National Geographic have science? At the National Geographic Society, our mission is to use the power of science, exploration, education and storytelling to protect and illuminate the wonder of our world.

Is National Geographic a book? National Geographic (formerly The National Geographic Magazine, sometimes branded as NAT GEO) is an American monthly magazine published by National Geographic Partners. The magazine was founded in 1888 as a scholarly journal, nine months after the establishment of the society, but is now a popular magazine.

Is National Geographic a trusted source? Achieving our ambitious mission hinges on cultivating a culture that's grounded in honesty, fairness, transparency, respect, dignity, and sensitivity. These values are among the many reasons that the National Geographic Society is one of the most recognized and trusted brands in the world.

Why does your hair turn gray in National Geographic? These melanocytes die by the end of the hair cycle, and the follicle produces new melanocytes from stem cells as the growth cycle repeats. But over time, explains Harris, the melanocytes can lose steam, producing less—and eventually no—pigmentation. “They're no longer doing their job,” she says.

Who is the owner of National Geographic? National Geographic Partners, LLC is a joint venture between The Walt Disney Company (which owns 73% of the company) and the namesake non-profit scientific organization National Geographic Society (which owns 27%).

How to view National Geographic articles for free? Access articles from our current issue online at nationalgeographic.com/magazine and view recent issues—and every issue since 1888—in the magazine's full archive at archive.nationalgeographic.com.

Did Disney buy National Geographic? Yes, The Walt Disney Company is part owner of National Geographic. The company “National Geographic Partners, LLC” is a joint venture with 73% owned by The Walt Disney Company and 27% owned by National Geographic Society.

Is GIS considered a science? Geographic Information Science, also known as GIScience or GISc, is the scientific study of the methods and techniques used to research, process, and analyze geographic or spatial data. Learn more about GISc.

Does geography have science? So geography is a physical science and social science, (ditto for physical science and social science so learners can see the difference) but also has the academic credibility to study the interaction between the two.

What does National Geographic include? It is one of the largest nonprofit scientific and educational institutions in the world. Its interests include geography, archaeology and natural science, and the promotion of environmental and historical conservation.

Why is National Geographic not a scholarly source? Answered By: Reference Librarian. Jan 08, 2024 1336 National Geographic is a popular source written for the general public, not written by subject matter experts, and has not undergone a peer-review process. Our page on evaluating information has some detailed information about determining what kind of source you have.

XKCD: A Webcomic of Science, Humor, and Stick Figures

XKCD is a webcomic created by Randall Munroe. It features simple, black-and-white stick figures and often explores topics related to science, mathematics, and technology. The comic is known for its clever and insightful humor, which often delves into the absurdities and complexities of modern life.

What is the premise of XKCD?

XKCD does not have a consistent storyline or characters. Instead, each comic explores a different topic or idea, ranging from scientific concepts to social commentary. Munroe uses minimalist stick figures and clever dialogue to convey his ideas and observations.

Why is XKCD so popular?

XKCD has gained a large following due to its unique blend of humor, intelligence, and accessibility. The comic's relatable characters and everyday situations allow readers to connect with the topics being discussed. Additionally, Munroe's insightful and often witty commentary provides a fresh perspective on the world.

What are some of the themes explored in XKCD?

XKCD covers a wide range of themes, including science, relationships, social media, and the nature of reality. Munroe often uses humor to explore complex issues, such as the limitations of artificial intelligence, the paradoxes of time travel, and the absurdity of human behavior.

What are some of the recurring elements in XKCD?

In addition to its distinctive stick figures, XKCD features several recurring elements. These include:

- **Hover text:** Each comic contains additional text that appears when the reader hovers their mouse over the image. This text often provides further context or commentary on the comic.
- **Alt text:** The alt text, which is intended for people with visual impairments, often contains humorous or sarcastic descriptions of the comic.

- **Special theme weeks:** Munroe occasionally dedicates a week to a specific theme, such as "Graphs" or "Bicycles". During these weeks, all comics relate to the chosen topic.
