What is the story of sister Rosamund Lupton? Sister is a psychological thriller about two sisters - Beatrice and Tess. The bond between them has always been strong, and when Beatrice hears that her younger sister is missing, she comes back to her hometown to find out what exactly happened to her sister.

What is the plot of the story sisters? Elisabeth (Elv for short), Meg and Claire are the three beautiful, black-haired Story sisters, who live on Long Island with their divorced mother, Annie. Their close bond and happy lives are altered irrevocably one day when Elv and Meg share an encounter with a stranger that will change them forever.

Who is the main character of the story they sold my sister? "They Sold My Sister" is a first-person narration, told from the point of view of the character-narrator, a 12-year old Maasai girl named Naliki. Moreover, the language of the short story is simple and easy to follow, because it conveys the perspective of a child.
