Annabeth is injured fatally during the fight but is healed with the help of the Golden Fleece.

**What happens in Sea of Monsters?** When Thalia's tree is mysteriously poisoned, the magical borders of Camp Half-Blood begin to fail. Now Percy and his friends have just days to find the only magic item powerful to save the camp before it is overrun by monsters.

**How old is Percy in Sea of Monsters?** This book chronicles the adventures of thirteen-year-old demigod Percy Jackson as he and his friends rescue his satyr friend Grover from the Cyclops Polyphemus and save Camp Half-Blood from a Titan's attack by bringing the Golden Fleece to cure Thalia's poisoned pine tree.

**Will Percy Jackson have a 7th book?** Wrath of the Triple Goddess: Percy Jackson and the Olympians, Book 7 — International Edition (Paperback) This title is a pre-order and will be available within 4-6 weeks from Sep 24, 2024.

**In what chapter does Annabeth kiss Percy?** Their first kiss in the Battle of the Labyrinth in the 11th chapter. In 'The Last Olympian' they kiss in the last chapter which is 'I am dumped'.

**Do Percy and Annabeth get married?** Yes, Annabeth is married to Percy Jackson, and has three kids: Cast, Ethan, and Zoe. How was Annabeth Chase born? Annabeth Chase is the half-blood daughter of the goddess Athena and the mortal man Frederick Chase.

**Who poisoned Thalia's tree in Sea of Monsters?** The Sea of Monsters On the orders of Kronos, Luke Castellan poisons Thalia's Pine Tree with Elder Python Venom which weakens Camp Half-Blood's borders, allowing increasing monster attacks on the camp.

**What happened to Thalia in Percy Jackson 3?** As they reached Half-Blood Hill, Thalia sent Luke, Grover, and Annabeth over the boundary line while she faced the monsters. She sacrificed her life for her friends, but her father Zeus took pity on her and turned her into a pine tree to preserve her, keeping the rest of the camp safe.

**What happened to Luke in Percy Jackson's Sea of Monsters?** Luke dies in The Last Olympian when he is given Annabeth's knife by Percy. He sacrifices himself to defeat Kronos by stabbing himself under his left arm where his mortality was still kept intact after his bath in the River Styx (known as his Achilles heel).

**How old is Percy Jackson in 2024?** [pjo] It's 2024 and right now Percy would be 30 years old.

**Is Annabeth older than Percy?** Reyna Annabeth is a month older than Percy. She is 16-17 at the start but Percy doesn't turn 17 until the Son of Neptune.

**Is Grover actually 24?** In the Percy Jackson and the Olympians series, Grover is 24 years old and poses as a 12-year-old. But in the books, he was 32, posing as a 16-year-old. Played by 17-year-old actor Aryan Simhadri, Grover Underwood starts as the best and only friend of Percy Jackson.

**Is there a book where Percy and Annabeth get married?** They're still teenagers at this point, and still a bit too young for marriage. This isn't to say that they wouldn't eventually marry each other outside of the main books by Riordan. They absolutely would, however there's nothing within the official canon from Riordan in which they actually are married.

**In which book is Percy 17?** By The Blood of Olympus, he is about to turn 17 (or has turned 17) and has missed all of grade 10. But somehow in The Hidden Oracle he is 17 and a Senior, apparently having missed all of Junior year. And we know not that much time has passed because it's January and Percy tells Apollo he's been gone for 6 months.

**What is the 8th Percy Jackson book called?**

**Who was Percy's first kiss?** This is the chapter where Annabeth first kissed Percy, right before he was blasted to Calypso's island.

**Did Annabeth kiss Poseidon?** Annabeth is extremely worried because it was her mother that turned her into a monster because she was caught kissing Poseidon in one of her temples.

**When did Nico confess to Percy?** In the fifth book, Nico tells his father, Hades, that he is holding a grudge that could end up killing the Olympians and the campers. In The House of Hades, Nico is forced by Cupid to reveal that he had had a crush on Percy Jackson.

**Did Percy propose to Annabeth?** Well technically he proposed to Annabeth in the lightning thief when Percy threw an apple at Annabeth when playing hacky sack. Because that's how you propose in Ancient Greek.

**Do Percy and Annabeth's kids have powers?** Rick Riordan stated that the kids of demigods, "would probably pass for normal mortals, since the godly powers get diluted with each generation."

**Does Percy love Rachel or Annabeth?** Yes Rachel is relatable but that's because she's mortal, Annabeth is a daughter of Athena that's why she wants such a hard job. And Percy loves Annabeth even before they started dating, but with Rachel it was just a little crush.

**Who betrayed Percy?** Upon returning to Camp Half Blood, Percy is betrayed by his friend Luke, son of Hermes, who turns out to be the human hero whom Kronos used for the theft. Luke poisons Percy, and tells him before leaving that Kronos will rise and destroy the age of the gods. Western Civilization is unraveling.

**How many monsters has Percy killed?** Then we get to the Battle of Manhattan, where he has 207 kills. When he first takes on the Kronos army of monsters, he drove them back so that there were "about twenty left alive out of two hundred," giving him 180 kills.

**Does Grover ever find pan?** However, Grover meets a monster. Later, Grover finds Pan and learns the truth about his disappearance and that he, the God of Wild Things, must fade away and leave the job of making the earth green again to Grover, Annabeth, Percy, Tyson and everyone else on the planet.

**Did Thalia kiss Luke?** In the demigod diaries when Thalia kissed Luke on the cheek I thought that was really cute! But they didn't get a lot of moments together on the book.

**Who is stronger, Thalia or Percy?** Thalia's the daughter of the strongest god, and has similar power levels to Percy. If it was a battle of who was more powerful, then Percy would win. However it's not. They are even in blade combat and Thalia is more agile and is very talented with a bow.

**Who is Thalia Grace's love interest?** Love Interests: Luke Castellan: A love interest while she was a runaway. Luke had promised her and Annabeth they would all a happy family. This changed after Luke's evil actions in Percy Jackson and the Olympians, and after she became a Hunter of Artemis.
