**Is a court of wings and ruin spicy?** Is A Court of Wings and Ruin spicy? Yes ACOWAR is spicy, with plenty of love and sex scenes. There are also some steamy, sweet and flirty moments between Rhysand and Feyre., as well as other characters. However, in my opinion, the sexual tension and anticipation are nowhere near the level of its predecessor, ACOMAF.

**Is A Court of Mist and Fury smutty?** Yes ACOMAF is spicy, and much more so than the first book! My overall opinion is that there is a good amount of sexual tension and spice without detracting from the overall plot. I'd give it around a 3.5/5 spice rating. There are also some hot, flirty moments between Rhysand and Feyre.

I did read the whole series, but I'd use caution with younger readers.

**What is the spiciest chapter in ACOTAR?** When are the A Court of Thorns and Roses spicy chapters? There is a significant build-up of sexual tension and flirting between Feyre and Tamlin. There's no crossover, and she never ever even has a thought about choosing between them. There's literally no triangle no matter how much you squint.
