Did Robert Fitzgerald translate The Odyssey? Robert Fitzgerald's is the best and best-loved modern translation of the Odyssey, and the only one admired in its own right as a great poem in English.

How long is The Odyssey translated by Robert Fitzgerald?

Who is The Odyssey translated by? Written in iambic pentameter verse, Emily Wilson's Odyssey is a lean, fleet-footed translation that recaptures Homer's "nimble gallop" and brings an ancient epic to new life.

What is the easiest translation of The Odyssey to read? Wilson's translation is great for anyone who is interested in reading The Odyssey, whether a first-timer or a veteran. George Chapman's translation, one of the most advanced, is written in Elizabethan English.

What is the best prose translation of The Odyssey? Two answers to that: - if you're asking for prose because for some reason you **need** it to be prose, the Martin Hammond translation looks good. - if you're asking for prose because you

want something you can read easily, I recommend the Robert Fagles translation.

How many times has The Odyssey been translated? There have been at least sixty translations of the Odyssey into English since the seventeenth century.

How many pages is the actual Odyssey? There are 384 pages in the Odyssey by Homer.

Is The Odyssey a long book? Consisting of 24 books, or chapters, The Odyssey begins in medias res meaning in the middle of things. The first eight books take place 10 years after the end of the Trojan War, and 20 years since Odysseus first left Ithaca.

How long is the entire Odyssey? Structure. The Odyssey is 12,109 lines composed in dactylic hexameter, also called Homeric hexameter.

Should I read the Iliad or the Odyssey first? Juan Francisco Although they're not exactly sequential, I'd recommend you to read The Iliad first, then The Odyssey. The Iliad provides you huge context, involving the Trojan War, plenty of characters (including Odysseus), and the cosmology of Ancient Greece.

Is Beowulf older than The Odyssey? Composed around the 8th century BC, the Odyssey is one of the oldest works of literature typically read by an American audience; for comparison, it's almost 2,000 years older than Beowulf.

What is the first line of the Odyssey? [1] Tell me, O Muse, of the man of many devices, who wandered full many ways after he had sacked the sacred citadel of Troy. Many were the men whose cities he saw and whose mind he learned, aye, and many the woes he suffered in his heart upon the sea, seeking to win his own life and the return of his comrades.

Why is The Odyssey so hard to read? mainly because Odysseus's story is told, throughout the rest of the story, either to Telemachus or by Odysseus himself; a full half of the poem is dialogue, much of which is people telling Odysseus's story.

What grade level reads The Odyssey? Grade Level: 5th (GLCs: Click here for grade level guidelines.) Synopsis: Odysseus faces storm and shipwreck, a terrifying man-eating Cyclops, the alluring but deadly Sirens, and the fury of the sea-god

Poseidon as he makes his ten-year journey home from the Trojan War.

Is Fitzgerald's *Odyssey* good? The *Odyssey* has often been considered the lighter of the two Homeric epics, easier to read, more various and more entertaining than its counterpart, *The Iliad*.
