The Telling 1: Eden Winters

What is The Telling 1 about?

The Telling 1: Eden Winters is the first novel in The Telling series, a paranormal romance series written by J.M. Darhower. The story follows Eden Winters, a young woman haunted by visions of a past she cannot remember, and Lucan Stryker, a mysterious stranger with a dark secret.

Who is Eden Winters?

Eden Winters is a brilliant artist who has been struggling with amnesia for years. She has no memory of her life before the age of six, and the visions she sees haunt her constantly. She is desperate to find out the truth about her past, and she believes that Lucan Stryker can help her.

Who is Lucan Stryker?

Lucan Stryker is a vampire who has been living in the shadows for centuries. He is drawn to Eden Winters, but he also knows that being with her could put her in danger. He has a dark past that he is trying to keep hidden, and he must decide whether he is willing to put Eden's life at risk to protect her.

What is the mystery of Eden's past?

The mystery of Eden's past is gradually revealed throughout the novel. She learns that she is a descendant of a powerful witch, and that her visions are a glimpse of her past life. She must face her past in order to move forward, and she must learn to accept her true nature.

What is the conflict between Eden and Lucan?

Eden and Lucan are drawn to each other, but their relationship is forbidden. Eden is a human, and Lucan is a vampire. They must overcome their differences in order to be together, and they must fight against those who would keep them apart.

The Program 1: Suzanne Young's Post-Apocalyptic Thriller

Q: What is The Program 1 by Suzanne Young about?

A: Set in a post-apocalyptic world where a virus has ravaged the population, The Program 1 is a gripping thriller that follows Sloan, a 16-year-old girl who has survived amidst the chaos. She is captured by the Warders, an enigmatic organization that enforces ruthless rules and brutally suppresses dissent. Sloan is forced to participate in a deadly game, The Program, where she must fight to stay alive while navigating a treacherous landscape filled with dangerous threats.

Q: What are the key characters in The Program 1?

A: Sloan, the protagonist, is a resourceful and determined survivor who struggles to maintain her identity and resist the Warders' control. Ares, the enigmatic leader of the Warders, is a complex and charismatic figure who ruthlessly enforces The Program. Nathan, Sloan's fellow prisoner, is a kind and compassionate young man who aids her in her survival.

Q: What is the significance of The Program itself?

A: The Program is a brutal and Darwinian game designed to weed out the weakest and select the strongest. It involves a series of deadly challenges and tasks that participants must overcome, testing their physical, mental, and emotional limits. Failure to complete The Program results in swift and brutal elimination.

Q: How does Sloan's journey in The Program 1 reflect the themes of the novel?

A: Sloan's experiences in The Program offer a commentary on the nature of power, survival, and the importance of human connection. She grapples with the dichotomy between conformity and rebellion, and questions the morality of a society that sacrifices its members for its own survival.

Q: What can readers expect from The Program 1?

A: Readers can expect a fast-paced and suspenseful post-apocalyptic thriller that explores thought-provoking themes. Young's vivid world-building immerses readers in a desolate and dangerous landscape, while the compelling characters and

gripping plot keep them on the edge of their seats until the very end.
