## Download Complete File

**What is the bad behavior Mary Gaitskill about?** A middle-aged woman returns to a New York that is haunted by the passion and intensity of her former relationship with her estranged best friend. A secretarial graduate starts her first job at a lawyer's office and quietly keeps her cruel experiences at his hands locked inside herself.

**What motivates Mary to cover up her crime?** The decision to cover up the murder was made from a much more level-headed state of mind. She realized that her child would have a terrible future if she was arrested, so she then set about hiding her guilt.

**What is the big deal about Mary?** She is called Mother of God because she gave birth to Jesus, who is in the Trinity along with the Father and the Holy Spirit. Catholics pray to Mary, but not because she is a goddess. They pray to ask her, as the Mother of Christ, to pray with them to God.
