## **Why We Are Born Remembering Our Purpose Through the Akashic Records**

**What are the Akashic Records?** The Akashic Records are an energetic library that contains a complete record of every soul's journey. They are known as the "Book of Life" and hold the essence of all our experiences, thoughts, emotions, and intentions.

**Why Do We Access the Akashic Records as Babies?** When we are born, we are still deeply connected to the Akashic Records. As infants, our brains are not yet fully developed, allowing us to access this vast energetic library. During this time, we imprint the memories of our soul's purpose upon our subconscious mind.

**How Do We Recall Our Purpose Later in Life?** As we grow and mature, the memories of our purpose may become obscured by our daily lives. However, throughout our journey, we are guided by our subconscious mind, which holds the imprints of our soul's mission. When we pay attention to our inner voice and follow our intuition, we are aligning with our innate purpose.

**What Are Signs that We Are Remembering Our Purpose?** Signs that we are remembering our purpose include:

- Feeling a deep sense of fulfillment and joy in our work or passions.
- Experiencing a strong inner compass that guides our decisions.
- Being drawn to people and situations that support our growth and purpose.

**How Can We Access the Akashic Records as Adults?** While we cannot consciously access the Akashic Records, we can connect with our subconscious mind through meditation, journaling, or working with an Akashic Record reader. By exploring our inner wisdom, we can uncover the hidden memories of our purpose and live a life aligned with our soul's mission.
