**What are Coach holidays like?** Distinctly lacking in the stresses of a regular holiday, coach tour bookings include itineraries and accommodation in the final price. This means there's never any dithering about when it comes to seeing and doing things or worrying about how expensive your break is going to be.

**What is the best coach holiday company?**

**Who owns National Coach Holidays?** The National Holidays brand, customer database and other related IP has been acquired by an affiliate of the JG Travel Group ('JGTG').

**How many seats does a national holiday coach have?** Most of our coaches take up to 53 passengers, although this can vary depending on the type of coach with some taking 47 and the largest taking 57.

**What are the disadvantages of coach travel?** One of the main disadvantages of coach travel is the lack of individual space and privacy. Passengers are seated closely together, which can be uncomfortable, especially for long journeys.

**Is it cheaper to travel by coach?** If you're not in a hurry and aren't as sensitive on timing, or you're booking last-minute, you could save money by opting for a coach ticket, as they're often cheaper than train tickets.

**Who are the best tour operators in the UK?**

**Can you go on a coach holiday in the UK?** UK & Ireland Coach Holidays. Board one of our coaches for a holiday packed with inspiring itineraries and excursions.

Most of our coach holidays are operated by our own fleet of luxury Mercedes coaches, all of which have an on board washroom and are air conditioned.

**What is the most luxurious coach?** Coming in at number one on our list of The Most Luxurious Coaches in the World is the mighty Marchi Mobile Element Palazzo.

**Who is the CEO of National Holidays?** The initial National Holidays selection for 2021 will be announced soon. Adds Chairman and CEO Luis Arteaga: “The addition of the brand will enable the JG Travel Group to become the leader in over-60s group travel in the UK, particularly for tours, events and theatre shows by coach.

**Did Shearings coach holidays go bust?** A Greater Manchester travel group which collapsed into administration with the loss of 2,500 jobs has formally been liquidated. Specialist Leisure Group had owned coach firms Shearings, National Holidays and Wallace Arnold and entered administration in May 2020.

**Is Shearings still trading?** Shearings will now operate as a sister company to Leger, offering brand new fully escorted tours to the UK and Europe.

**Are coach holidays worth it?** A coach holiday includes a great deal – in fact, for some people, they include too much, especially the travellers who prefer a slower style of travel. However, if you have done your pre-trip research and you know that the pace is right for you then you can also sit back and enjoy your days being full of discovery.

**Do National Holidays coaches have WiFi?** Most devices are compatible with our free onboard WiFi service providing they are WiFi enabled.

**What is the maximum seats on a coach?** Average Seating Capacity of a Coach Bus On average, a standard coach bus can accommodate between 47 and 57 passengers. This makes coach buses an excellent option for transporting large groups for long-distance travel, events, or tours.
