Who wrote the Jerome biblical commentary? Brown, Raymond Edward; Fitzmyer, Joseph A.; Murphy, Roland E., eds. (1968). *The Jerome Biblical Commentary* (2 volumes).

How long did it take Jerome to translate the Bible? In the course of 15 years of work, Jerome translated all the books of the Hebrew Bible. It is a mistake to identify his work with the Vulgate as it exists today. In Jerome's time, most manuscripts of the Bible in Latin contained only a few books—not the entire Bible.

What did Jerome do for Christianity? Jerome is the second-most voluminous writer – after Augustine of Hippo (354–430) – in ancient Latin Christianity. The Catholic Church recognizes him as the patron saint of translators, librarians, and encyclopedists. Jerome translated many biblical texts into Latin from Hebrew, Aramaic, and Greek.

Which version of the Bible is closest to the original Hebrew? However, some translations, like the New American Standard Bible (NASB) and the New King James Version (NKJV), will give more weight to matching the original language word-for-word. Translations like the New Living Translation (NLT) and the Contemporary English Version (CEV) give more weight to readability.

Is the Vulgate accurate? He translated the Old Testament from Hebrew and the New Testament from Greek, aiming to provide a more accurate and faithful rendering of the original texts. The Vulgate became, and still is, the official Bible of the Roman Catholic Church.

Why did Jerome include the Apocrypha? In translating the Old Testament, something struck Jerome: the books the Jews regarded as Holy Scripture did not

include the books we know as the Apocryphal. These books had been included in the Septuagint, the basis of most older translations, and Jerome was compelled by the church to include them.

Why is Jerome important? Jerome translated most of the Old Testament from Hebrew and some from Greek. Also, he wrote Scriptural commentaries, biographies, a history of writers and corresponded greatly. He also preached, held conferences and taught the young.

Who baptized Jerome? A serious scholar enamored of Latin literature, he frequented the catacombs and near the end of his Roman education was baptized (c. 366), probably by Pope Liberius.

Was Jerome a martyr? The Bohemian Hussite Church considers Jerome (with Hus) the first martyr for the Protestant Reformation.
