What is the quote by Pastor Chris Oyakhilome? Until you prevail with God, you cannot prevail with men; your victory has to be spiritual first, before it is physical. The challenge may not go away when you pray, and when it doesn't go away, it simply means God believes that He has trained you enough to face it and win.

What is the healing message of Pastor Chris Oyakhilome? Don't give in to sickness. Christ already consummated the plan for your divine health; So, it doesn't matter what the health condition is; place your hand on it and say, "In the Name of Jesus, I refuse to accommodate this infirmity." Whatever part of your body the challenge is, tell it off in the Name of Jesus.

What is the purpose of prayer by pastor Chris Oyakhilome? There're higher purposes of prayer. One of them is fellowshiping with the Father through the Spirit. Another higher purpose of prayer is the privilege to exercise our authority in Christ. There, you take your place of authority and cause things to happen within the ambits of the power given to you by Christ Jesus.

What is the meaning of Christmas by pastor Chris Oyakhilome? But have you ever asked yourself what “C-H-R-I-S-T-M-A-S” means? “C” means “Christ has come!” Christ is born and is here now! “H” stands for “Hope.” We're at rest now, because Christ has come, and our hope for a glorious life has been fulfilled.

What is salvation prayer pastor Chris Oyakhilome? “Oh Lord God, I come to you in the name of Jesus Christ. Your word says, “...that whosoever shall call upon the name of the Lord shall be saved”. I believe in Jesus Christ, the Son of the living God. I believe Jesus died for me and that he was buried and raised from the dead.

What is righteousness by pastor chris oyakhilome? Righteousness is the nature of God in you, producing in you the rightness of God: the ability to do right and fulfil the will of the father. God is always right; it's His nature to be right. This nature of righteousness is at work in us.

What is faith by pastor Chris Oyakhilome? The effect of righteousness is faith. This is what the word of God does for you. You come to the throne of grace and obtain mercy. This is a gift from God you don't work for it.

What are the three kinds of meditation by pastor Chris Oyakhilome? There're three levels of meditation: you ponder, you mutter, and you roar. You think through the Word, mutter or speak it under your breath, and then you voice it. When it gets to coming out of your mouth boldly, you're writing it on your heart—on the tables of your heart.

What is grace according to pastor Chris Oyakhilome? Grace is the glory of God working in a man's spirit and it beautifies. Only the man with grace recognizes grace. Never try to work against grace in a man's life; one who does it fights against the Source of Grace; Deity.

The Life You Save May Be Your Own: Exploring the Impact of Altruism

The adage "the life you save may be your own" succinctly captures the profound benefits of altruism - the selfless concern for the well-being of others. While the quote may initially suggest a sense of immediate reciprocity, its implications extend far beyond the act of rescuing someone from physical harm.

Question 1: How does altruism benefit the recipient? Answer: Altruistic acts directly provide tangible assistance, such as food, shelter, or medical care, to those in need. Beyond the material benefits, altruism fosters a sense of connection and community, reducing isolation and loneliness.

Question 2: Why might altruism benefit the giver? Answer: Engaging in altruistic acts has been shown to promote positive emotions, such as happiness, contentment, and gratitude. It can also reduce stress, anxiety, and depression. Additionally, acts of kindness can strengthen social bonds, leading to improved

relationships and a sense of belonging.

Question 3: Can altruism become a form of self-preservation? Answer: In a broader sense, altruism can contribute to a society in which people are more likely to help one another. When we demonstrate compassion and empathy towards others, we create a more just and equitable world where we ourselves are more likely to receive support in times of need.

Question 4: Are there limits to altruism? Answer: While altruism is generally considered a positive trait, it is important to recognize that in certain situations, it can be taken to extremes that may harm the giver or undermine their own well-being. For example, neglecting personal responsibilities or jeopardizing one's own health in the name of altruism may have negative consequences.

Question 5: How can we cultivate altruism in our lives? Answer: Fostering altruism begins with cultivating a sense of empathy and understanding towards others. Regularly engaging in acts of kindness, both large and small, can help strengthen our altruistic instincts. Additionally, seeking opportunities to connect with and contribute to our communities can create a virtuous cycle of giving and receiving.
