

GUIDED READING ACTIVITY 26 2 THE COURSE OF WORLD WAR ANSWER KEY

[Download Complete File](#)

What helps you discover the beginning of World War 2 answer? To gain more land and power, on 1 September 1939 German troops invaded Poland. After Hitler refused to stop the invasion, Britain and France declared war on Germany – World War II had begun.

What are panzer divisions supported by airplanes? - Hitler used the blitzkrieg, or "lightning war" as armored columns, called panzer divisions, supported by airplanes. Each of these panzer divisions were a strike force of around 300 tanks with accompanying forces and supplies. - The Blitzkrieg quickly broke through Polish lines and encircled their troops.

What factors led to the Second World War in Europe?

What does World War II teach us? The war provided two contradictory lessons: the first was that war was to be avoided at all costs, the second was that democracies had to be ready to resist aggression. The second lesson led most western European states, including Germany, to rearm and join the Atlantic alliance.

How did the First World War start answer key? Assassination Sparks War The assassination of Austrian Archduke Franz Ferdinand on 28 June 1914 set off a chain of events that led to war in early August 1914. The assassination was traced to a Serbian extremist group that wanted to increase Serbian power in the Balkans by breaking up the Austro-Hungarian Empire.

What was World War 2 simple answer? World War II was the biggest and deadliest war in history, involving more than 30 countries. Sparked by the 1939 Nazi invasion of Poland, the war dragged on for six bloody years until the Allies defeated the Axis powers of Nazi Germany, Japan and Italy in 1945.

Does the panzer division still exist? Since World War II, despite the acquisition of more advanced weapons and changes in ratios among constituent elements, the panzer division's mission has not undergone significant change. It remains the principal offensive element of the German army.

What was the most feared tank division in WWII? The 7th Panzer Division was an armored formation of the German Army in World War II. It participated in the Battle of France, the invasion of the Soviet Union, the occupation of Vichy France, and on the Eastern Front until the end of the war. The 7th Panzer Division is also known by its nickname, Ghost Division.

What is a panzer in WWII? The tanks the Germans used in WWII are known as Panzers. There were six Panzer models produced during the war, although each had some variations. The largest were also known as the Panther, the Tiger, and the King Tiger tanks.

What was the deadliest war in history? World War II was the deadliest conflict in human history marked by 50 to 85 million fatalities, most of whom were civilians in the Soviet Union and China.

Why did Japan bomb Pearl Harbor? However, striking south into British Malaya and the Dutch East Indies would almost certainly provoke an armed U.S response. To blunt that response, Japan decided to attack the U.S Pacific Fleet at Pearl Harbor, hoping that the U.S would negotiate peace.

What event ended WWII? Truman announced Japan's surrender and the end of World War II. The news spread quickly and celebrations erupted across the United States. On September 2, 1945, formal surrender documents were signed aboard the USS Missouri, designating the day as the official Victory over Japan Day (V-J Day).

Could WWII have been avoided? If the countries had agreed to signing the fourteen points instead of the Treaty of Versailles, we could have avoided World War

2. Led to less resentment in Germany. It would have helped lessen the devastation of the great depression. And it could have helped monitor Hitler more closely.

Which continent has been least affected by the First and Second World Wars?

Antarctica, the southernmost continent, is widely considered as the least affected continent by the First and Second World Wars. This is primarily due to its remote location, inhospitable environment, and lack of human habitation during that period.

What can we take away from WWII? World War II has taught many people different things. Some learnt about the willpower of humans and what it means when one's homeland is invaded. Others discovered humanity's limitations, such as whether one can push their moral boundaries to serve their country despite the pressure of their own values.

What caused the beginning of World War 2? The immediate precipitating event was the invasion of Poland by Nazi Germany on September 1, 1939, and the subsequent declarations of war on Germany made by Britain and France, but many other prior events have been suggested as ultimate causes.

What triggered the actual beginning of World War 2? Adolf Hitler's invasion of Poland in September 1939 drove Great Britain and France to declare war on Germany, marking the beginning of World War II. Over the next six years, the conflict took more lives and destroyed more land and property around the globe than any previous war.

What was the starting event of World War 2? World War II began on September 1, 1939, with the German invasion of Poland.

What were the main causes of the Second World War answer? The major causes of World War II were numerous. They include the impact of the Treaty of Versailles following WWI, the worldwide economic depression, failure of appeasement, the rise of militarism in Germany and Japan, and the failure of the League of Nations.

The Pardoner's Tale SparkNotes

1. Overview

"The Pardoner's Tale" is a story within Geoffrey Chaucer's "The Canterbury Tales." It is told by the Pardoner, a corrupt church official who travels the countryside selling fake relics and indulgences. Despite his wicked ways, the Pardoner's tale is a morality story that warns against the sins of greed and excess.

2. Characters

- **The Pardoner:** A corrupt church official who tells the tale.
- **The Three Rioters:** A group of young men who are led astray by Death.
- **The Old Man:** A figure who warns the Rioters of their impending doom.

3. Plot Summary

Once upon a time, three young men were traveling through a forest when they met an Old Man who warned them that Death was coming for them. The Rioters ignored the warning and continued on their way. Soon after, they came across a pile of gold coins and decided to split the treasure equally. However, one of the Rioters resolved to murder the other two in order to keep all the money for himself. He went into a nearby town to buy some poisoned food and brought it back to his friends.

Meanwhile, the other two Rioters had also decided to betray one another. They went to the same town and bought a bottle of poisoned wine. When the third Rioter returned with the food, they all ate and drank together, unaware that they were poisoning each other. In the end, all three Rioters died from the poisoned food and wine.

4. Themes

"The Pardoner's Tale" explores several themes, including:

- **Greed and Excess:** The Rioters' desire for wealth leads them to their downfall.
- **The Inescapability of Death:** No matter how hard we try to avoid it, death will come for us all.
- **The Hypocrisy of the Church:** The Pardoner's own corrupt behavior exposes the hypocrisy of the church and its officials.

5. Conclusion

"The Pardoner's Tale" is a cautionary tale that warns against the dangers of greed and excess. It also serves as a reminder that death is inevitable and that we should live our lives accordingly. Despite its dark subject matter, the tale is full of wit and irony, and it provides a valuable lesson about the human condition.

Wing Chun Forms Step by Step: A Guide to the Basics

Q: What are Wing Chun forms?

A: Wing Chun forms are codified sequences of movements that encompass the core techniques, principles, and applications of the martial art. They serve as a foundation for developing coordination, power, footwork, and combat effectiveness.

Q: What are the main benefits of practicing Wing Chun forms?

A: Regularly practicing Wing Chun forms can enhance:

- Coordination and balance
- Physical strength and agility
- Power generation and flow
- Footwork and movement patterns
- Mental focus and concentration

Q: How do I start learning Wing Chun forms?

A: It is crucial to seek instruction from a qualified Wing Chun teacher to learn the proper techniques and avoid injuries. The teacher can break down the forms step by step and provide guidance throughout the learning process.

Q: What is the first form in Wing Chun?

A: Siu Nim Tau, or "Little Idea", is the first form taught in Wing Chun. It focuses on fundamental movements, including arm circles, palm strikes, footwork, and body structure. Siu Nim Tau lays the groundwork for understanding the central principles of the art.

Q: How do I progress through the Wing Chun forms?

A: After mastering Siu Nim Tau, students typically progress to Chum Kiu, or "Seeking the Bridge", followed by Biu Gee, or "Thrusting Fingers". Each form builds upon the previous one, introducing additional techniques and applications. By diligently practicing and applying the forms, students gradually develop a deeper understanding of Wing Chun and enhance their self-defense capabilities.

Themes and Variations in Weiten's Psychology: 9th Edition

Introduction

Wayne Weiten's "Psychology: Themes and Variations" is a comprehensive textbook that introduces readers to the fundamental principles and contemporary research in the field of psychology. The textbook is organized around five core themes:

- **Biology and Behavior**
- **Cognition and Language**
- **Learning**
- **Motivation and Emotion**
- **Development and Personality**

Question 1: What is the main theme of Weiten's Psychology textbook?

Answer: The main theme of Weiten's textbook is the integration of biological, psychological, and social factors in understanding human behavior.

Question 2: What are some of the key variations that Weiten discusses in his textbook?

Answer: Weiten presents a diverse range of perspectives and research findings, exploring both mainstream and alternative theories within each theme. For example, in the chapter on learning, Weiten covers behaviourist, cognitive, and social-cognitive approaches.

Question 3: How does Weiten incorporate the themes into each chapter?

Answer: Each chapter is structured around the five themes, providing consistent grounding in the connections between different aspects of psychology. For instance, the chapter on attention and perception includes sections on the biological basis of sensation, cognitive processes involved in attention, and the role of emotion in perception.

Question 4: What are the benefits of the "Themes and Variations" approach?

Answer: The "Themes and Variations" approach allows students to see the interconnectedness of psychological concepts and theories. It emphasizes the different ways in which psychologists study behaviour and provides a comprehensive understanding of the discipline.

Conclusion

Wayne Weiten's "Psychology: Themes and Variations" is an engaging and comprehensive textbook that introduces students to the major themes and variations within the field of psychology. By integrating biological, cognitive, and social perspectives, the textbook provides a well-rounded understanding of human behaviour. The "Themes and Variations" approach facilitates a deeper appreciation of the complexities and diversity of psychology as a scientific discipline.
