### The OUP Controversy\*\*

The Oxford University Press (OUP) is a publisher with a long and storied history. However, in recent years, the company has been embroiled in a number of controversies. One of the most prominent of these is the OUP Frankenstein controversy.

In 2018, OUP published a new edition of Mary Shelley's classic novel Frankenstein. The edition was edited by scholar Johanna M. Smith, who made a number of changes to the text. These changes were met with criticism from some readers, who accused Smith of "butchering" the novel.

The controversy over the OUP Frankenstein edition highlights a number of important issues. First, it raises questions about the role of editors in interpreting classic works of literature. Second, it highlights the tension between the desire to preserve the integrity of a work and the need to make it accessible to contemporary readers.
