Why should everyone read *The Great Gatsby*? The novel is also a commentary on the decadence and excess of the time, as well as a commentary on the corrupting influence of wealth and power. Fitzgerald's portrayal of the American Dream is both hopeful and cautionary, and his themes are as relevant today as they were when the novel was first published.

Why did Daisy cry over the shirt? Daisy isn't really talking about—or weeping over—the shirts from England. Her strong emotional reaction comes from the excitement of Gatsby having the proper wealth, and perhaps remorse over the complexity of the situation; he is finally a man she could marry, but she is already wed to Tom.

Why did Gatsby choose Nick? Nick is also Daisy's cousin, which enables him to observe and assist the resurgent love affair between Daisy and Gatsby. As a result of his relationship to these two characters, Nick is the perfect choice to narrate the novel, which functions as a personal memoir of his experiences with Gatsby in the summer of 1922.

Why didn't Daisy go to Gatsby's funeral? Daisy does not want to be seen attending Gatsby's funeral because she does care about her reputation, despite the fact that she has never loved Tom. As a result, she makes the decision to abstain out of concern that she will damage both her connection with Tom and her standing in the eyes of the general public.

Why did Tom betray Daisy? Desire makes Tom betray Daisy. Finally, love is what ends Gatsby's life. For these reasons, a red broken heart is the main shape of the collage. Furthermore, other than the symbol, the theme is demonstrated through the words and actions of some characters.

Who forced Daisy to marry Tom? She couldn't marry Gatsby because he was poor. Tom was rich and masterful; he “swept her off her feet” and his dominating nature made her feel secure.

Why does Tom not divorce Daisy? Myrtle believes that the only reason Tom will not divorce Daisy is because Daisy is Catholic. But we learn that Tom's feelings for Myrtle are far less intense than he has led her to believe and that social pressure prevents him from ever leaving Daisy, who comes from a similar upper-class background.

What are some unanswered questions in The Great Gatsby? There are so many tantalising questions that lie unanswered. Some must remain so — for example, would Tom ever have sold Wilson a car? Who was Owl-eyes? Whose teeth are on Wolfshiem's cuffs?
