Trump's Jerusalem Moves Spark a Fire in the Middle East

Question 1: What did Trump do?

Answer: On December 6, 2017, President Donald Trump announced that the United States recognized Jerusalem as the capital of Israel and would move its embassy there.

Question 2: Why is this so controversial?

Answer: Jerusalem is a holy city for Muslims, Jews, and Christians. Palestinians claim East Jerusalem as the capital of their future state, while Israel claims the entire city as its capital. Trump's move was seen as undermining Palestinian claims and siding with Israel.

Question 3: What has been the reaction?

Answer: The announcement sparked widespread protests and violence in the Middle East. Palestinians and other Arabs protested in the streets, and several countries withdrew their ambassadors from the United States. The United Nations Security Council condemned the move.

Question 4: What are the potential consequences?

Answer: The move could lead to an escalation of violence in the region. It could also damage relations between the United States and its Arab allies. The international community may also be less likely to support a two-state solution to the Israeli-Palestinian conflict.

Question 5: What can be done to resolve the issue?

Answer: There is no easy solution to the issue of Jerusalem. However, it is important for all parties to avoid violence and to work towards a peaceful resolution. The international community could play a role in facilitating negotiations between Israel and the Palestinians.
