

ER NURSE

Download Complete File

What is the meaning of "ER nurse"? An emergency room (ER) nurse is a registered nurse who specializes in caring for patients in an emergency room setting. The fast-paced environment of an emergency room requires a different skill set than standard nursing positions.

What does ER stand for in nursing? An ER nurse is a nurse that works specifically in the emergency room. They treat patients who are facing traumatic or severe, often life-threatening medical conditions.

Are ER nurses tough? To be successful in this role, you'll need a combination of clinical and people skills, as well as the ability to think on your feet. An ER nurse can be a challenging position for anyone but especially for people who have grown up thinking about something completely different.

What is a good ER nurse? A Strong Professional and Emotional Foundation To work in a hospital ER, you have to be a registered nurse (RN) and will treat patients of any age. To work in this field, you'll need to be ready to spend long hours on your feet and be able to move and lift patients if necessary.

Why is it called ER? Earlier terms such as 'casualty' or 'casualty department' were previously used officially and continue to be used informally. The same applies to 'emergency room', 'emerg', or 'ER' in North America, originating when emergency facilities were provided in a single room of the hospital by the department of surgery.

Are ER nurses critical care nurses? Critical care is just what it sounds like—critical. So nurses in these situations need to be ready for whatever comes through the doors. If you're up for the task, there are many roles that you can pursue as a critical care nurse, including working in the emergency room (ER) or intensive

care unit (ICU).

Is ER nursing bedside? Hospital nursing and nursing home care are common types of bedside nursing. In hospitals, bedside nurses may work in certain departments, such as trauma, surgery, and emergency.

What is the difference between an ER nurse and an OR nurse? Number of Patients The main difference between ER nurses and floor nurses is the type and number of sick persons they see. ER nurses typically see more critical and life-threatening situations than floor nurses.

What nurse makes the most money? Certified Registered Nurse Anesthetist: \$205,770 Certified Registered Nurse Anesthetists (CRNAs) earn a nationwide average of \$205,770 per year according to the BLS; this makes CRNAs the highest-paying type nursing job by a significant margin.

What is the difference between OR and ER nurse? The main differences between ER and OR nursing revolve around the number of patients you will see on a given day and how predictable your workflow will be regularly. In the ER, you have to prioritize far more than in any other field because you are exposed to more people with a wide range of illnesses and injuries.

What does ER stand for? ER noun [C usually singular] (HOSPITAL) US. abbreviation for emergency room US. SMART Vocabulary: related words and phrases. Medical places & organizations.

Who is the main nurse in ER? Carol Hathaway is a fictional character from the NBC medical drama series ER, portrayed by actress Julianna Margulies. She is the nurse manager in the ER.

What is the meaning of ER in hospital? emergency room. noun. : a hospital room or area staffed and equipped for the reception and treatment of persons with conditions (as illness or trauma) requiring immediate medical care.

In what order should I read Miss Marple books?

What is the best Miss Marple book?

How old was Miss Marple supposed to be? In *At Bertram's Hotel*, published in 1965, it is said she visited the hotel when she was 14 and almost 60 years have passed since then, implying that she is nearly 75 years old; but in *4:50 from Paddington*, published almost a decade earlier in 1957, she says she will be "90 next year."

Who is considered the best Miss Marple? 2020-01-10. The newest addition to our stellar lineup of clever and lovable female detectives is none other than Agatha Christie's iconic spinster sleuth, Miss Marple. The 1984 BBC version starring Joan Hickson is widely considered to be the favourite adaptation of the iconic character.

Which was the last of Agatha Christie's Miss Marple novels to be published? It has been 45 years since Agatha Christie's last Marple novel, *Sleeping Murder*, was published posthumously in 1976, and this collection of ingenious new stories by twelve Christie devotees will be a timely reminder why Jane Marple remains the most famous fictional female detective of all time.

What is the best version of Miss Marple? Time and again Joan Hickson features as the best Miss Marple of all time. The *Mirror Crack'd* was to be her last TV outing as Jane Marple. She is thoughtful, gracious and always courteous even when she's telling someone she suspects they committed a murder. She's Marple at her most intelligent and shrewd.

Which Miss Marple to start with? Miss Marple novels, in chronological order, are: *Murder at the Vicarage* (1930); *The Body in the Library* (1942); *The Moving Finger* (1943); *A Murder is Announced* (1950); *They Do it With Mirrors* (1952); *A Pocket Full of Rye* (1953); *4.50 from Paddington* (1957); *The Mirror Crack'd from Side to Side* (1962); *A Caribbean ...*

Will there be any more Miss Marple series? As the new Marple adaptation is only at the development stage, it will hit screens in 2023 at the earliest. In the meantime, the Christie estate has greenlit a three-part adaptation of *Why Didn't They Ask Evans*, a 1934 murder mystery that did not feature one of the author's famous

detectives.

What is the most famous Miss Marple mystery? 1. Miss Marple: The Body in the Library. Amateur detective Miss Jane Marple investigates the murder of a young woman whose body is found in the library at Gossington Hall, home of Colonel and Mrs. Arthur Bantry.

What is Agatha Christie's best mystery?

Did Miss Marple ever meet Poirot? Christie's world is really her own, as with any author (one doesn't have to look any farther than another popular writer like J. K. Rowling). Even in her world of England and detective fiction, Christie's two popular sleuths Poirot and Marple have never met.

Did Miss Marple have a lover? She's a die-hard spinster, or at least she that's what she is Christie's novels, because in this TV-film it is suddenly revealed that Miss Marple had an affair with a married man prior to World War I.

How old was Joan Hicks when she played Miss Marple? Joan Hickson played the sweet little old lady from St Mary Mead with an uncanny knack for solving crimes that baffle the police. Hickson took on the role at the age of 78, and when all 12 novels had been adapted she retired from playing Miss Marple at 86.

How did Agatha Christie feel about Miss Marple? While Agatha Christie acknowledged that her grandmother had been a huge influence on the character, she writes that Miss Marple was "far more fussy and spinsterish than my grandmother ever was.

What is the best version of Miss Marple? Time and again Joan Hickson features as the best Miss Marple of all time. The Mirror Crack'd was to be her last TV outing as Jane Marple. She is thoughtful, gracious and always courteous even when she's telling someone she suspects they committed a murder. She's Marple at her most intelligent and shrewd.

Why did Geraldine McEwen leave Marple?

Will there be any more Miss Marple series? As the new Marple adaptation is only at the development stage, it will hit screens in 2023 at the earliest. In the meantime,

the Christie estate has greenlit a three-part adaptation of *Why Didn't They Ask Evans*, a 1934 murder mystery that did not feature one of the author's famous detectives.

What is the order of Agatha Christie books?

Women, Art, and Society: The World of Whitney Chadwick

Whitney Chadwick, an esteemed British art historian, has dedicated her career to exploring the experiences and contributions of women artists in the art world. Her ground-breaking research has illuminated the challenges faced by women throughout history and shed light on their remarkable achievements.

What Inspired Chadwick to Focus on Women in Art?

Chadwick's interest in women's art emerged from her own experiences as a female artist in the 1970s. She recognized the systemic barriers that women faced, from limited access to opportunities to the disparagement of their work. Driven by a desire to challenge these inequalities, she embarked on a scholarly journey to uncover the hidden stories of women artists.

What Are Chadwick's Key Contributions to Art History?

Chadwick's seminal works include *"Women, Art, and Society"* (1985) and *"Women Artists and the Surrealist Movement"* (1989). In these groundbreaking studies, she demonstrated the extraordinary contributions of women artists to modernism and surrealism. Her research uncovered forgotten figures, such as Claude Cahun and Leonora Carrington, and challenged the dominant patriarchal narrative of art history.

How Has Chadwick's Work Influenced the Art World?

Chadwick's research has had a profound impact on the art world. Her scholarship has aided in the rediscovery and recognition of women artists, leading to exhibitions, publications, and the acquisition of their work by major museums. Her writings have inspired a new generation of art historians and curators to explore the diversity of artistic voices and to challenge traditional hierarchies.

What Are Chadwick's Views on the Future of Women in Art?

Chadwick remains optimistic about the future of women in art. She believes that the increasing visibility of women artists and the growing awareness of their historical contributions will continue to break down barriers. However, she also acknowledges that there is still progress to be made in terms of equality and representation.

Conclusion

Whitney Chadwick's pioneering research has transformed the understanding of women's role in art history. By shedding light on the challenges and triumphs of women artists, she has challenged the patriarchal biases that have long dominated the art world. Chadwick's work continues to inspire and empower women artists and scholars, paving the way for a more inclusive and just future.
