### **What rhetorical devices are used in A Modest Proposal by Jonathan Swift?**

Jonathan Swift uses a number of rhetorical devices effectively as he highlights his proposal. He uses logical fallacies, metaphors, repetition and parallelism as well as humor, sarcasm and satire tone to highlight these negative attitudes.

**What is the rhetorical situation in A Modest Proposal?** The sarcastic views of Swift's understanding of the poverty of Ireland leads him to make a proposal for a solution to poverty, where he ignores the concern of human morale by displaying the lacking efforts of England to help.

### **What makes Jonathan Swift's essay A Modest Proposal rhetorically effective?**

By using satire, Swift makes his point by ridiculing the English people, the Irish politicians, and the wealthy. He starts his proposal by using emotional appeal and as it progresses, he uses ethos to demonstrate credibility and competence. To show the logical side of the proposal, he uses facts and figures.

**In what way does A Modest Proposal fit the definition of satire 4.1 6?** Expert-Verified Answer. Answer: Option C. "A Modest Proposal" fits the definition of satire as it presents an argument for treating children like livestock, which the reader isn't meant to take seriously.

**What is the literary style of the Modest Proposal?** 'A Modest Proposal' uses an approach called satire to make its point, which is the use of irony, humor or exaggeration to criticize the ideas of others. Swift obviously doesn't sincerely want the people of Ireland to sell their children as food, but he's using the outrageous concept to deliver a message.

**How did Jonathan Swift use pathos in A Modest Proposal?** In "A Modest Proposal," pathos is used whenever the author writes imagery of the suffering and tragic situation of the poor people in Ireland. This way, Swift intends pity from the readers, thereby believing that his arguments are reasonable and humane.

**What is the question of the rhetorical situation?** The "rhetorical situation" is a term used to describe the components of any situation in which you may want to communicate, whether in written or oral form. To define a "rhetorical situation," ask yourself this question: "who is talking to whom about what, how, and why?" There are five main components: Purpose.

**What are the 5 examples of a rhetorical situation?** The rhetorical situation can be described in five parts: purpose, audience, topic, writer, and context. These parts work together to better describe the circumstances and contexts of a piece of writing, which if understood properly, can help you make smart writing choices in your work.

**How does Swift use diction in A Modest Proposal?** Answer and Explanation: Swift's diction is formal in his piece "A Modest Proposal". Formal diction uses precise grammar and an elevated vocabulary. Part of what makes the piece satirical is the fact that Swift uses formal diction.

**What is Jonathan Swift criticizing in A Modest Proposal?** In "A Modest Proposal," Jonathan Swift vents his mounting aggravation at the ineptitude of Ireland's politicians, the hypocrisy of the wealthy, the tyranny of the English, and the squalor and degradation in which he sees so many Irish people living.

**What is the role of verbal irony in A Modest Proposal?** The irony in the title "A Modest Proposal" is that what Swift is proposing is not at all "modest." His proposed solution is horrible, comical, absurd, but not modest. The irony occurs because of the tension between "modest" and the actual proposal of eating children.

**What solution does Jonathan Swift propose in A Modest Proposal?** In A Modest Proposal, Jonathan Swift proposes that the Irish should eat their children, as it will produce several benefits. He claims that it will help with population control, making money, prevent crime, and make fashionable clothing out of the children.

**What techniques of satire can you identify in A Modest Proposal?** Method(s) of Satire Used: Explanation: hyperbole: they have not literally eaten parents. Verbal irony: it is NOT proper for landlords to eat children of their tenants.

**Who is the target of satire in A Modest Proposal?** Answer and Explanation: Swift's chief satirical target in A Modest Proposal was the Whig ministry in England, guilty of English exploitation. Ireland was ruled, back in 1729 when the satire was written, by the Irish membership of the Established Church, comprising a very small portion of the country's population.

**How is the proposal a satire?** Answer: Explanation: to be more precise, satire exposes the drawbacks of an individual or of a society, in order to bring about reform. The play is about the tendency of wealthy families to seek ties with other wealthy families, to increase their estates by encouraging marriages that make good economic sense.

**What literary device is used in A Modest Proposal?** In "A Modest Proposal," Jonathan Swift uses satire, irony, and hyperbole to criticize social and political issues in Ireland. By suggesting the inhumane idea of eating children to solve poverty, Swift highlights the British government's neglect and the exploitation of the Irish people.

**What literary devices does Jonathan Swift use?**

**What satirical devices does Swift use in A Modest Proposal?** Swift bespeaks methods to prevent the poor beggars from burdening the population. Instead of bypassing the "useless pests", Swift uses rhetorical devices of irony and hyperbole to present outrageous ways the poor could benefit wealthier classes. The dominant figure of speech in "A Modest Proposal" is verbal irony.

**What are the metaphors in A Modest Proposal?** Quick answer: Two metaphors in Jonathan Swift's "A Modest Proposal" are "devoured" and "title." "Devoured" compares landlords financially destroying tenants to physically eating them, while "title" compares the landlords' right to eat children to property rights.
