The Easter Story for Children

Who was Jesus? Jesus was a special man who lived a long time ago. He was born in a place called Bethlehem, and he taught people about God's love and forgiveness.

What happened on Easter? On Easter, Jesus was crucified, which means he was nailed to a cross. He died and was buried in a tomb. But three days later, Jesus rose from the tomb and appeared to his followers.

Why did Jesus have to die? Jesus died on the cross to pay for our sins. Sin is anything that separates us from God, and we all have sinned. Jesus' death paid the price for our sins and allowed us to be forgiven and have a relationship with God.

What does Easter mean for me? Easter is a celebration of new life and hope. It reminds us that even though we may experience sadness and suffering, we can have joy and hope because Jesus conquered death and rose again.

How can I celebrate Easter? You can celebrate Easter by going to church, spending time with family and friends, and giving thanks for Jesus' gift of salvation.

You can also read the story of Easter and talk about its meaning with others.
