What is the story of the Alice and the Fly? "Alice and the Fly" is a story of schizophrenia and obsession. Gregory, the boy at the heart of the story, suffers from schizophrenia and is unpopular at school. One of his teachers tries her best to help him, offering counselling sessions in her spare time, trying to get him to open up about his feelings.

What is the true story behind Alice? The publicity for the film states that it is "inspired by the true events of a woman of servitude in 1800s Georgia, who escapes the 55-acre confines of her captor to discover the shocking reality that exists beyond the tree line ... it's 1973." Elements of the film's background are loosely based on the narrative of Mae ...

What is the moral of the story The Fly? The central theme of The Fly is death. Death is combined with other themes, including grief, forgetting, and survival. In the end, all plot points lead toward death.
