What are some questions about the Civil War?

How to explain the Civil War to kids? Well, a civil war is a war between two groups of people living in the same country, much like two people from the same family getting into an argument. The American Civil War was between the northern and southern states regarding the power and role of the federal government.

What is Civil War answers? A civil war is a war between organized groups within the same state (or country). The aim of one side may be to take control of the country or a region, to achieve independence for a region, or to change government policies.

What is an essential question for the Civil War? Essential questions: How did the war impact minorities during the period (women, free blacks, slaves, immigrants)? How did the Civil War “make” modern America?

What are 5 fun facts about the Civil War?

What are some compelling questions about Civil War?

What are the three main causes of the Civil War? The biggest cause of the Civil War was the humanitarian and economic issue of slavery. However, the four biggest factors of causation were slavery, states vs federal rights, economics, and the election of Abraham Lincoln in 1860.

Was the Civil War about slavery? Today, most professional historians agree with Stephens that slavery and the status of African Americans were at the heart of the crisis that plunged the U.S. into a civil war from 1861 to 1865.

Why is it called the Civil War? The use civil in civil war is not related to the definition "quiet or peaceable behavior." It refers to an older meaning, "of or relating to citizens"; civil war is between citizens of the same country.

Why did the South lose the Civil War? Scores of historians have offered answers ranging from the debilitating influence of state rights on the Confederate war effort, to the secessionists' failure to secure foreign recognition, to supply shortages resulting

from the Union naval blockade, to inflation.

What started the US civil war? At 4:30 a.m. on April 12, 1861, Confederate troops fired on Fort Sumter in South Carolina's Charleston Harbor. Less than 34 hours later, Union forces surrendered. Traditionally, this event has been used to mark the beginning of the Civil War.

What caused the Civil War besides slavery? For more than 80 years, people in the Northern and Southern states had been debating the issues that ultimately led to war: economic policies and practices, cultural values, the extent and reach of the Federal government, and, most importantly, the role of slavery within American society.

What two questions did the Civil War resolve? The war resolved two fundamental questions left unresolved by the revolution: whether the United States was to be a dissolvable confederation of sovereign states or an indivisible nation with a sovereign national government; and whether this nation, born of a declaration that all men were created with an equal right to ...

What is the main goal of civil war? The Union war effort expanded to include not only reunification, but also the abolition of slavery. To achieve emancipation, the Union had to invade the South, defeat the Confederate armies, and occupy the Southern territory. The Civil War began as a purely military effort with limited political objectives.

What is the Civil War most known for? The war left between 620,000-750,000 soldiers dead, along with an undetermined number of civilian casualties, making the Civil War the deadliest military conflict in American history. The technology and brutality of the Civil War foreshadowed the coming World Wars.

What was the Civil War for kids? In the 1860s the Northern and Southern parts of the United States fought against each other in the American Civil War. The war started after 11 Southern states separated themselves from the United States and formed their own government. Their army fought the forces of the U.S. government.

What was the number 1 cause of civil war? What led to the outbreak of the bloodiest conflict in the history of North America? A common explanation is that the

Civil War was fought over the moral issue of slavery. In fact, it was the economics of slavery and political control of that system that was central to the conflict.

Why did the North win the Civil War? The Union (also known as the North) won the American Civil War. The main reasons for the Union's victory were its superior resources (including manpower), transportation, and industrial capacity, as well as the effective leadership of President Abraham Lincoln and the military strategies of General Ulysses S. Grant.

What is a fun fact about Civil War? More people earned the Medal of Honor in the Civil War than in World War I, World War II, and Vietnam combined. The same cipher code used by the Confederate government, including Jefferson Davis, was found on John Wilkes Booth's remains, leading many to believe Davis had ordered the assassination.

What were the major questions after the Civil War? When the Civil War ended, leaders turned to the question of how to reconstruct the nation. One important issue was the right to vote, and the rights of black American men and former Confederate men to vote were hotly debated.

What was the big question at the end of the Civil War?
