Understanding Service Messages on a 2012 Chevy Malibu**

What is Service ESC on a 2012 Chevy Malibu?

Electronic Stability Control (ESC) is a safety feature that helps prevent skidding by applying brakes individually and reducing engine power when necessary. "Service ESC" indicates a problem with the system.

What Does "Service Tire Monitor" Mean on a 2012 Chevy Malibu?

The Tire Pressure Monitoring System (TPMS) monitors tire pressure and alerts you if a tire is underinflated. "Service Tire Monitor" means a TPMS sensor has detected a low tire pressure or a malfunction.

Common Problems with a 2012 Chevy Malibu

- Transmission problems
- Oil leaks
- Engine valve lifter issues
- Power steering failure
- Electrical system malfunctions

How Many Quarts Does a 2012 Chevy Malibu Take?

The engine oil capacity is 5.2 quarts with filter replacement.

Driving with ESC Light On

Driving with the ESC light on is not recommended as the system may not function properly in an emergency. Have it serviced as soon as possible.

Causes of ESC Service Light

- Faulty wheel speed sensors
- Brake system issues
- Steering angle sensor problems

Replacing TPMS Sensor Yourself

Replacing a TPMS sensor requires specialized equipment and knowledge. It is recommended to have it done by a mechanic.

Driving with Service Tire Monitor System

You can temporarily drive with a service tire monitor system, but it's important to check tire pressure regularly.

Resetting TPMS on Chevy Malibu

1. Set parking brake and turn ignition to "ON" without starting the engine.
2. Press the "Set/Clr" button on the instrument cluster repeatedly until "TPMS Learn" appears.
3. For each tire, hold the key fob against the tire valve stem until a horn sounds.

Why Does My Chevy Malibu Say Service ESC?

There may be a problem with the ESC system, such as faulty sensors or wiring.

What Does Service ESC Mean on My Chevy?

It indicates a potential issue with the ESC system.

What Does ESC Service Required Mean?

It means the ESC system needs to be serviced to ensure proper functioning.

Cost to Fix ESC on Chevy Malibu 2012

The cost to repair the ESC on a 2012 Chevy Malibu depends on the specific issue but typically ranges from \$200 to \$1,000.
