**What is the moral virologist by Greg Egan about?** Synopsis. John Shawcross is a fundamentalist Christian who is disappointed that safe sex has limited the spread of HIV/AIDS, which he considers to be God's punishment for sexual immorality. Consequently, he becomes a virologist, so that he may create a new and more lethal virus.

**Who is Egan Scifi author?** Greg Egan (born 20 August 1961) is an Australian science fiction writer and mathematician, best known for his works of hard science fiction. Egan has won multiple awards including the John W. Campbell Memorial Award, the Hugo Award, and the Locus Award.

**What is the reason to be cheerful Greg Egan about?** Plot. In 2004, twelve-year-old Mark suddenly enters a state of constant happiness. After also losing balance when walking, a medulloblastoma is discovered in his brain causing higher levels of Leu-enkephalin, which binds to the same receptors as morphine or heroin and hence is the reason for his happiness.

**What is the moral panic hypothesis?** Moral Panic occurs when someone or something is defined by the media as a threat to the values or interests of society.

**Who is the godfather of sci-fi?** Though a gifted storyteller, certainly in his early years, Verne had not sufficient powers of imagination, or scientific understanding, to rise to true science fiction. Here the contrast with his much younger (by 39 years) competitor for the "father of science fiction" title, H. G. Wells, is most striking.

**What is the summary of closer Greg Egan?** Summary: "Closer" by Greg Egan centers around a couple, Sian and Michael, who partake in an experiment conducted by cyberneurologist Craig Bentley. In this unique study, the couple shares identical

minds for eight hours, providing an intense and temporary connection between them.

**Who is the father of science fiction?** Jules Verne has been the second most-translated author in the world since 1979, ranking below Agatha Christie and above William Shakespeare. He has sometimes been called the "father of science fiction", a title that has also been given to H. G. Wells and Hugo Gernsback.

**What is learning to be me Greg Egan about?** Greg Egan's highly philosophical short-story explores a provocative thought-experiment: what if a device could be placed inside the human brain to exactly replicate all activities of the brain, thereby rendering the brain itself superfluous.

**What is the legend of Greg about?** The story centers around Greg Belmont, a short, well fed boy who has never been told he's a dwarf. It's not until a troll kidnaps his father that he learns of his past and future. There's a whole underground beneath the windy city where dwarfs live.

**Who started reasons to be cheerful?** David Byrne is the Founder of Reasons to be Cheerful. He is also the Founder of the Arbutus Foundation, a nonprofit dedicated to re-imagining the world through projects that inspire and educate.

**What is the folk devil theory?** The concept of folk devils was introduced to sociology by Stan Cohen when he published his influential study on mods and rockers, *Folk Devils and Moral Panics*. Cohen argued that when the media reports on deviant behaviour they construct a narrative which features a clear villain: the folk devil.

**Is moral panic a theory?** As a social theory or sociological concept, the concept was first developed in the United Kingdom by Stanley Cohen, who introduced the phrase moral panic in a 1967–1969 PhD thesis that became the basis for his 1972 book *Folk Devils and Moral Panics*.

**Is moral panic still relevant today?** The emphasis was put on the question whether the concept of moral panic is still useful today and after defining its aspects within both history and the field of academics, it has reached the conclusion that although the concept has changed over the years – it is still useful and very applicable.
