### **Your Money Counts: Biblical Principles for Financial Well-being**

In the world of personal finance, there are countless books and theories promising the path to financial success. However, many of these approaches fail to align with biblical principles, which offer a timeless framework for managing our money wisely. Author Howard Dayton provides practical guidance in his book "Your Money Counts" to help individuals and families navigate the complexities of earning, spending, saving, investing, and giving.

**Q: What is the biblical perspective on earning money? A:** The Bible encourages us to work diligently and earn an honest living (Ephesians 4:28). However, it also cautions against pursuing wealth as an idol (1 Timothy 6:10). Our primary focus should be on serving others and glorifying God through our work.

**Q: How should we spend our money? A:** Dayton suggests a "Needs First, Wants Later" approach. First, we should allocate funds to essential expenses such as housing, food, and clothing. Then, we can set aside money for specific financial goals, such as saving for a home or retirement. Finally, we can consider spending on non-essential items that bring us joy or fulfillment.

**Q: How much should we save? A:** The Bible recommends setting aside a portion of our income for future needs (Proverbs 6:6). Dayton encourages saving a minimum of 10% of our after-tax income. By establishing an emergency fund and setting financial goals, we can build a secure financial foundation.

**Q: Is investing biblical? A:** While the Bible does not explicitly mention investing, it does endorse principles such as diligence, planning, and wise stewardship (Proverbs 13:11, 21:5). Dayton recommends investing in low-cost index funds that align with our risk tolerance and financial goals.

**Q: How can we get out of debt? A:** Dayton advocates for a realistic and sustainable approach to debt reduction. He encourages creating a budget, prioritizing high-interest debts, and seeking professional help if needed. The Bible

offers hope to those struggling with debt, reminding us that God is a merciful creditor who can forgive our debts (Psalm 103:2).

By embracing these biblical principles, we can make wise financial decisions that align with our values and bring about financial well-being. Remember, "Your money counts" not only for the practical benefits it brings but also for the impact it has on our relationships, our character, and our ability to glorify God.

## Sum and Difference Identity Answers

**Question 1:** What is the sum identity?

**Answer:** The sum identity states that the sine of the sum of two angles is equal to the product of the sines of the individual angles plus the product of the cosines of the individual angles.

**Question 2:** What is the difference identity?

**Answer:** The difference identity states that the sine of the difference of two angles is equal to the product of the sines of the individual angles minus the product of the cosines of the individual angles.

**Question 3:** Use the sum identity to find  $\sin(\pi/2 + \pi/4)$ .

**Answer:**  $\sin(\pi/2 + \pi/4) = \sin(\pi/2)\cos(\pi/4) + \cos(\pi/2)\sin(\pi/4) = 1 \cdot \frac{\sqrt{2}}{2} + 0 \cdot \frac{\sqrt{2}}{2} = \frac{\sqrt{2}}{2}$

**Question 4:** Use the difference identity to find  $\cos(\pi/3 - \pi/6)$ .

**Answer:**  $\cos(\pi/3 - \pi/6) = \cos(\pi/3)\cos(\pi/6) + \sin(\pi/3)\sin(\pi/6) = \frac{1}{2} \cdot \frac{\sqrt{3}}{2} + \frac{\sqrt{3}}{2} \cdot \frac{1}{2} = \frac{\sqrt{3}}{2} = \frac{2}{2} = 1$

**Question 5:** Prove the sum identity using the unit circle.

**Answer:** Let  $(x_1, y_1)$  and  $(x_2, y_2)$  be the coordinates of two points on the unit circle that correspond to angles  $\theta_1$  and  $\theta_2$ , respectively. Then, the sum identity can be proven as follows:

$$\sin(\theta_1 + \theta_2) = y_1y_2 - x_1x_2 = (\sin \theta_1 \cos \theta_2) + (\cos \theta_1 \sin \theta_2) = \sin \theta_1 \cos \theta_2 + \cos \theta_1 \sin \theta_2$$
