**What version of Age of Sigmar are we in?** Warhammer Age of Sigmar: 4th Edition Trailer This trailer really sets the scene for the new edition, whilst also revealing the two factions that will be in the starter box - Stormcast Eternals and Skaven - along with hints at some of the new miniatures we can expect to see.

**Is Age of Sigmar a sequel to Warhammer fantasy?** Age of Sigmar is the sequel to the game Warhammer (specifically Warhammer Fantasy Battle). Due to this, the game contains many of the same characters, themes, and models as its predecessor.

**Did Age of Sigmar replace Warhammer fantasy?**

**What is Warhammer 40k Age of Sigmar?** A game of strategic combat set in the Mortal Realms, near-infinite regions saturated with potent magic, where mighty armies of soldiers, massive beasts, and even gods battle for territory and power.

**Why did Sigmar disappear?** Seeing her death, Sigmar was consumed by an indomitable rage and rushed towards the grief-stricken Gerreon and began to choke the life out of him. Yet the poisoned still sapped at Sigmar's strength, and as Gerreon struggled, a dark power consumed his entire body and the possessed Gerreon threw Sigmar unto the river.

**Is 40k and Sigmar the same?** No. If anything AoS has killed the theory that 40k is in the same universe as the old Fantasy setting. The way worlds and universes exist in AoS are also completely different than in 40k.

**What is the difference between Warhammer and Age of Sigmar?** For example, in the original Warhammer a unit that lost a fight had a chance of breaking and fleeing, retreating until it left the battlefield or was successfully rallied. In Age Of Sigmar, losing a fight simply inflicts additional casualties on a unit as soldiers desert or are overrun.

**Is Age of Sigmar set after the end times?** Due to this change, Warhammer Age of Sigmar contains many of the same characters, themes, and models as its predecessor and canonically directly follows on from the events and timeline of the End Times, though many aeons later.

**How many Age of Sigmar books are there?** There are seventeen novels and over twenty short stories in this series, so it's quite an undertaking to read the whole lot, but you could do worse than checking out the first few of the 'nounslayer' books (i.e. Trollslayer, Skavenslayer, Daemonslayer etc.)

**Did Age of Sigmar flop?** They recently produced a game( Age of Sigmar: Realms of Ruins) which was widely criticized for the game's "technical" flaws, and even then possibly decreed that the game was a sales failure.

**Do people still play Warhammer Age of Sigmar?** The player count does look low, it is crossplay so there is more people playing it than it appears on steam. However I believe the peak players was 1500 or something so that is low, and now the reviews are mixed new players will think twice.

**Is Sigmar a God?** Sigmar, also known as Sigmar Heldenhammer and the God-King, is the Ascended god of civilisation and progress, the patron deity of men, the lord of the Realm of Azyr and the Free Peoples of the Cities of Sigmar. His honorifics include the "Man-God," "The Thunderer," Zahg-Mar, "The Great Roaring One," and "Chaosbane."

**Is aos or 40K more expensive?** Age of Sigmar is the opposite—units are generally FAR more expensive in points terms. For example—and this is using 3rd Edition points, since as of the writing of this article, 4th edition points haven't come out—a Great Unclean One in 40K is 230 points. In Age of Sigmar? 460 points.

**Is Games Workshop getting rid of Age of Sigmar?**

**Is Age of Sigmar easier to learn than 40K?** It depends on the player! The easier game to play will always be the one you're more interested in. Both games are similar but have different play styles. While some might consider Age of Sigmar easier, there are just as many who find 40k to be their preferred game.

**Is Age of Sigmar Champions dead?** Champions, It's a sad day - on January 22nd 2022 Warhammer Champions closed for good and so this subreddit is has been set to read-only and exists now for posterity.

**Why is Bretonnia not in Age of Sigmar?** The Land of Bretonnia did not in fact truly exist during the time of Sigmar and the earliest days of the Empire. Indeed, many centuries passed before a great and noble knight united the highly independent and prideful Bretonni tribes in the same way Sigmar had with the birth of the Empire.

**Was Sigmar a lost Primarch?** So, in short, was Sigmar one of the Lost Primarchs? Absolutely not. It wasn't even clear on the Warhammer World for a long time whether Sigmar was even a god or just a jumped-up human cultural hero for the ancient tribes of the Empire of Man. But AoS has definitely answered that question.

**Can you mix the Age of Sigmar and 40k?** There are fantastically detailed and diverse miniatures to choose from in both games and there is even a little bit of crossover between them. You cannot use any of the Warhammer 40,000 models in Age of Sigmar, however if you play as Chaos, you can use some Chaos models in both AOS and 40k.

**Is Nurgle in Age of Sigmar?** Everything, no matter how grand or glorious, must eventually decay. Entropy is a cosmic constant in the Mortal Realms, and it is Nurgle who embodies this perpetual truth.

**Does the emperor exist in the Age of Sigmar?** Emperor (fem. Empress), more formally known as the Emperor of Man during the time of Sigmar [5a], is the title of the elected monarch of the Empire of Man, the most powerful Human realm of the Old World.

**What is the most popular Age of Sigmar army?**

**Why is it called Age of Sigmar?** The Age of Sigmar is the name of the Great Epoch that marks the current historical era of the Mortal Realms and began with the return of the Ascended god Sigmar and the forces of his Stormcast Eternals to the Eight Realms during Sigmar's Tempest.

**Is Age of Sigmar hard to play?** Compared to earlier editions of Warhammer, Age of Sigmar is significantly easier to get into. The rules are simple to learn (but tactics and army rules has depth). The hobby aspect is much easier to get done to an okay standard, even with very little practice.

**What edition is Warhammer Age of Sigmar on?** Third edition of exciting battle across the Mortal Realms.

**When did aOS 2.0 come out?** Age of Sigmar second edition, the Soul Wars, available for pre-order on June 16th and in stores June 30th.

**What is the Age of Sigmar 2024?** Age of Sigmar: April 2024 New Releases Embrace the tumultuous forces of Chaos and pledge unbreakable oaths to the Ruinous Powers with the Darkoath Army Set, heralding a fresh surge of mortal devotees to the Dark Gods.

**Is Age of Sigmar 3.0 good?** I'm happy to report that yes, Age of Sigmar 3.0 absolutely delivers. While the review here is from own experience and impressions of the Core Rules, here at the Goonhammer offices our Mortal Realms correspondents have been abuzz with what we've seen.

**Do people still play Warhammer Age of Sigmar?** The player count does look low, it is crossplay so there is more people playing it than it appears on steam. However I believe the peak players was 1500 or something so that is low, and now the reviews are mixed new players will think twice.

**What is the difference between Warhammer Fantasy and Age of Sigmar lore?** Age of Sigmar is essentially what happened to Warhammer fantasy after the end times. OG Warhammer Fantasy is more grounded realistic fantasy where Age of Sigmar is more high fantasy. Think of Warhammer Fantasy as game of thrones and Age of Sigmar as Narnia.

**Are 40k and Age of Sigmar compatible?** There are fantastically detailed and diverse miniatures to choose from in both games and there is even a little bit of crossover between them. You cannot use any of the Warhammer 40,000 models in Age of Sigmar, however if you play as Chaos, you can use some Chaos models in both AOS and 40k.

**How many people play Warhammer AOS?**

**What changed with the Age of Sigmar?** In the case of Age of Sigmar's 4th edition, game designers reorganized the rules into a modular system, with different game modes using different combinations of rule modules. Every game mode uses the Core Rules, but other modes use more complicated combinations of rules.

**How many Age of Sigmar books are there?** There are seventeen novels and over twenty short stories in this series, so it's quite an undertaking to read the whole lot, but you could do worse than checking out the first few of the 'nounslayer' books (i.e. Trollslayer, Skavenslayer, Daemonslayer etc.)

**Is Sigmar the 40k emperor?** Newly reborn the Emperor, now known as Sigmar, needs time to remember his powers and who he is. His nature however drives him to fight to unite humanity and battle the warp. He does this, forging the Empire. Eventually, his memory and powers return, and the Master of Mankind returns to the stars to fight the big war.
