The Unreleased Tale of Star Wars: Imperial Commando

Why was Star Wars Imperial Commando cancelled?

Star Wars: Imperial Commando, a highly anticipated first-person shooter game, was abruptly canceled in 2010. The reasons remain unclear, but speculation points to budget constraints and creative differences within LucasArts.

Did the 501st have commandos?

No, the 501st Legion, also known as Vader's Fist, did not have commandos. They were an elite legion of Imperial stormtroopers, not special forces.

What happened to the clones from Republic Commando?

After the end of the Clone Wars, the clones from Republic Commando were decommissioned and returned to Kamino. The sole survivor was RC-1138 "Boss," who went into hiding to avoid the post-war chaos.

What is the plot of the Imperial Commando?

The canceled Star Wars: Imperial Commando game would have followed the story of an Imperial commando squad called Squad Omega, fighting against rebel forces

during the Galactic Civil War.

Why did Karen Traviss stop writing Star Wars books?

Karen Traviss left writing Star Wars books in 2010 due to creative differences with Lucasfilm. She felt that the direction of the franchise was diverging from her vision of a more realistic and grounded military narrative.

Why was there never a Republic Commando 2?

Despite its popularity, a sequel to Star Wars: Republic Commando was never officially announced. It is speculated that the cancellation of Imperial Commando may have influenced this decision.

Why is the 501st called Vader's Fist?

The 501st Legion was known as Vader's Fist because they were often assigned to accompany Darth Vader on critical missions. Their unwavering loyalty and effectiveness in battle earned them this moniker.

Why does the 501st have orange helmets?

The 501st Legion originally had white helmets, but they were painted orange to indicate their assignment to the Outer Rim Territories. The orange helmets became synonymous with the legion's elite status.

Who led the 501st after Order 66?

After Order 66, the 501st Legion was commanded by Commander Appo. He remained in charge throughout the rest of the Galactic Civil War.

Why did Delta Squad leave SEV?

Delta Squad left SEV (Sev'ral-Class Experimental Vehicle) during the Battle of Mygeeto because the vehicle was irreparably damaged. They continued their mission on foot.

Did scorch survive a bad batch?

Scorch, a member of Delta Squad, survives the events of Star Wars: The Bad Batch. He is later seen in flashbacks in Star Wars Jedi: Fallen Order.

Who is the last surviving clone trooper?

The last surviving clone trooper is RC-1138 "Boss." He is seen in the final episode of Star Wars: The Bad Batch Season 2, where he meets Omega and shares his story.

How did Republic Commando end?

Star Wars: Republic Commando ends with Delta Squad successfully completing their mission on Kashyyyk. They escape the planet aboard a Republic frigate, leaving their past behind and facing an uncertain future.

Is Republic Commando canon now?

As of 2023, Star Wars: Republic Commando is not considered canon by Lucasfilm. However, elements of the game's story and characters have been incorporated into other canon materials, such as The Bad Batch.

What happened to Omega Squad after Order 66?

Omega Squad, another group of Imperial commandos, was disbanded after Order 66. Its members were either killed in action or went into hiding.

What happened to Karen Traviss?

After leaving Star Wars, Karen Traviss has written several other works of science fiction and fantasy. She is known for her realistic and character-driven military narratives.

Are Star Wars books no longer canon?

Star Wars books are still considered canon, as long as they have been published since April 25, 2014, and have not been explicitly labeled as "Legends" by Lucasfilm.

Why was Gina Carano removed from Star Wars?

Gina Carano was removed from Star Wars after she made controversial and offensive social media posts, which violated Lucasfilm's commitment to inclusivity and diversity.

Why do the clones have different voices in Republic Commando?

The clones in Star Wars: Republic Commando have different voices because they were created from different genetic templates. This variation in DNA resulted in slight differences in their physical appearance and vocal cords.

What is the hardest mission in Republic Commando?

The hardest mission in Star Wars: Republic Commando is widely considered to be "The Lost City of Orde." It involves fighting through hordes of Geonosians and droids in a labyrinthine underground labyrinth.

Why are the droids different in Republic Commando?

The droids in Star Wars: Republic Commando are different from droids in other Star Wars games and media because the game was developed by a different studio (LucasArts) and took creative liberties with the design.

Is Star Wars Imperial Assault Cancelled?

Star Wars: Imperial Assault, a tabletop board game, is not cancelled. It was released in 2014 and has received multiple expansions since then.

Why did Liam Neeson leave Star Wars?

Liam Neeson has not left Star Wars. He has voiced Qui-Gon Jinn in several animated projects and has expressed interest in reprising the role in live-action.

What happened to the Imperial Star Wars?

The Imperial Star Wars (the original Star Wars trilogy) is still part of the official Star Wars canon. The events of the trilogy set the stage for the subsequent films and television series.

Why was Star Wars removed from Legoland?

Star Wars was not removed from Legoland. It remains one of the most popular themes in the theme park, with multiple rides and attractions based on the franchise.
