

CHOPPER MARK BRANDON READ

Download Complete File

Why was Mark Read called Chopper? The nickname "Chopper" was given to him long before this, from a childhood cartoon character, Chopper a dog that is featured in Yakky Doodle. In 1978, while Read was incarcerated, his associate Amos Atkinson held 30 people hostage at The Waiters Restaurant in Melbourne while demanding Read's release.

How old was Chopper read when he died? SYDNEY (Reuters) - Mark "Chopper" Read, one of Australia's most notorious criminals who also found fame as an author, died of liver cancer in a Melbourne hospital on Wednesday at age 58, his manager said.

What happened to Chopper reads ears? The revelation might come as a shock to anyone who has seen the hit movie Chopper, given the version of events in the film. In the blockbuster hit, which never professed to be a true and correct account, Read got another inmate to cut off his ears in a bid to get out of H Division after Loughnan tried to kill him.

Where is Chopper read buried? CRIME figure turned author Mark "Chopper" Read has been laid to rest at a small family burial in Melbourne. Read, who died aged 58 last week after a battle with liver cancer, was farewelled by family at an invitation-only burial at Fawkner, Lonergan and Raven funeral director Nigel Davies said.

How many years did Chopper spend in jail? Although Read - played by Eric Bana in the award-winning 2000 film Chopper - spent 23 years in jail for violent crimes, he was never convicted of murder.

What crimes did Chopper commit? During his criminal career in the Melbourne mafia scene, he was convicted of many crimes, including armed robbery, assault,

attempted murder, arson, impersonating a police officer and kidnapping. Read retired from a life of crime and wrote a series of fiction books based on his life as a criminal.

How many times did Chopper get stabbed? The film's most interesting relationship is between Read and Jimmy Loughnan, the 'best mate' who stabs Chopper seven times, in retaliation for the death of Keithy George. The way that this stabbing is filmed suggests that a physical intimacy exists between the two men in jail (despite Read's distaste for homosexuals).

Who was Chopper scared of? His father Keith (played in the series by Michael Caton) was a former soldier and his very religious mother was said to be the only person Chopper was afraid of. Between 20 and 38 Chopper spent much of his life in jail for offences including armed robbery and kidnapping.

Who killed Sammy the Turk? In the early hours of June 12, 1987, Mark Brandon "Chopper" Read went outside the infamous Bojangles Nightclub (no longer standing) in St. Kilda and shot dead Siam Ozerkam.

Was Chopper mentally ill? Read spent the first five years of his life in a children's home, and was made a ward of the state by the age of 14. Read says he was certified mentally insane three times - at ages 15, 19 and 23, and that he was given "60 serves of shock treatment in six months".

Did Chopper go to jail? Until Sunday's confessional, "Chopper" had never been convicted, and therefore incarcerated for the act of murder. He had spent years behind bars for a litany of offences, including armed robbery, assault, arson and kidnapping.

Was Chopper a sociopath? "Some call me a psychopath, some call me a sociopath – a sociopath is meant to be worse, apparently. I asked 'what's a sociopath' and they told me it was someone who doesn't adhere to the rules, someone who is anti-society.

What movie is Chopper in? Chopper is a 2000 Australian crime drama film written and directed by Andrew Dominik, in his feature directorial debut, based on the autobiographical books by the criminal turned author Mark "Chopper" Read.

Where is Chopper hometown? Hailing from Drum Island, Chopper was once a normal reindeer, well, save for his blue nose, which made him an outcast from the rest of his herd.

Where is Chopper from in real life one piece? When asked by a fan what the nationalities of the members of the Straw Hat Pirates would be if One Piece was set in the real world, Oda replied that Chopper would be Canadian. Chopper is initially ostracized as a monster.

Did Chopper shoot Sid? Chopper Read. Four days later, he was arrested for shooting Syd Collins as Collins sat in the back of Read's Ford Fairmont in a farm lane after a session at the Clarendon Arms pub in Evandale. Collins got lucky.

How many kills did Chopper have? Summary. Chopper from Star Wars Rebels is considered one of the deadliest characters, with a history of violence and destruction against the Empire. Chopper has killed over 4,000 enemies, including Imperial officers, stormtroopers, and entire crews of ships he sabotaged.

Why did Chopper get kicked out? After one year had passed, Hiriluk reluctantly kicked Chopper out of his house, as he was going to die from his terminal illness. Hiriluk did not want his friend to worry about him. After Chopper learned the truth, he went on a journey for an Amiudake mushroom.

Was Chopper an alcoholic? Cooper then confesses that his addiction to alcohol and drugs, and the way he overcame it, helped him get into his character in A Star Is Born, a film he directed and co-starred with Lady Gaga and which earned him eight Oscar nominations.

Why is Chopper so violent? During his time with the crew of the Ghost, Chopper took part in numerous raids and missions against Imperial targets. Due to his old age and lack of regular maintenance, Chopper developed an argumentative, cantankerous, and mischievous personality.

Who did Chopper have a crush on? Chopper became highly infatuated with the female reindeer mink, Milky. When she rubbed against his cheek and called him "Doctor Chopper", Chopper fell over dazed in a very Sanji-like manner, complete with love hearts in his eyes, causing Usopp to wonder what had come over the

CHOPPER MARK BRANDON READ

usually platonic Chopper.

Was Chopper a good guy? You can never lose sight of the fact that he was a criminal and spent 23 years behind bars. He's been revered and people forget his violent past. In Pentridge Prison he was a feared individual. He stormed the County Court with a firearm and tried to kidnap a judge.

Who is the serial killer Chopper? Chopper is the nickname of Mark Brandon Read, a notorious real life criminal whose crimes were chronicled in a best selling book by him. Eric Bana plays Read to perfection.

Was Chopper a liar? It's hard not to like Chopper at times because he's a vigilante, he likes to prey on criminals. But he is a paradox – a criminal, a murderer, a pathological liar.

Did Chopper have a mental illness? It has since been suggested that he suffered Obsessive Compulsive Disorder and Aspergers' Syndrome. Had he been properly diagnosed back in the day, who knows how his life may have played out. Anyway, as Chopper divulged such things, I felt that he came closer to 'accepting' me. He didn't extend any affection as such.

Why does Chopper look weird? While under the effects of the Ice Oni virus, Chopper's body and armor became partially frozen over, with Chopper slowly developing a slightly more demonic appearance, and even developed partial fangs. Chopper's appearance was returned to normal shortly after administering the countervirus.

Is Chopper actually weak? At some point in his life, he ate a Devil Fruit and gained the ability to turn into a human at will. Although Chopper was fairly weak at first, he gained a lot of knowledge and developed a drug known as the Rumble Ball, which grants him several transformations.

Unveiling Rumi's Masterpiece: The Masnavi I Manavi

The Masnavi I Manavi, penned by the renowned Persian poet and mystic Rumi, is an epic masterpiece in six books that has captivated readers for centuries. Comprising over 25,000 rhyming couplets, it delves into profound themes of spirituality, morality, and the human condition.

The Fate of Africa: A History of Fifty Years of Independence

Martin Meredith's book, "The Fate of Africa: A History of Fifty Years of Independence," provides a comprehensive analysis of Africa's post-colonial era.

Q: What is the central argument of Meredith's book?

A: Meredith argues that Africa's post-colonial history has been marked by a combination of progress and setbacks. While many African nations have achieved economic growth and political stability, others have been plagued by conflict, poverty, and corruption.

Q: How does Meredith explain the challenges facing African nations?

A: Meredith identifies a number of factors, including:

- **Legacy of colonialism:** Colonialism left Africa with a legacy of political, economic, and social divisions.
- **Economic dependency:** Many African nations remain dependent on foreign aid and investment, making them vulnerable to external pressures.
- **Ethno-religious conflicts:** Ethnic and religious differences have been a major source of conflict in many African countries.
- **Weak governance:** Corruption and political instability have undermined progress in many African nations.

Q: What are the key trends that have shaped Africa's post-colonial history?

A: Meredith highlights several key trends:

- **Economic liberalization:** Many African nations have embraced economic liberalization policies, leading to both growth and inequality.
- **Political democratization:** A number of African countries have transitioned to democratic governance, but many still face challenges in ensuring accountability and transparency.
- **Rise of China:** China's growing economic and political influence in Africa has had a significant impact on the continent.
- **Climate change:** Africa is particularly vulnerable to the effects of climate change, which are expected to exacerbate existing challenges.

Q: What does Meredith conclude about the future of Africa?

A: Meredith believes that Africa faces both challenges and opportunities in the coming years. He argues that progress can be made through:

- **Investing in education and infrastructure.**
- **Promoting good governance and the rule of law.**
- **Addressing regional conflicts and ethno-religious tensions.**
- **Building partnerships with other countries.**

Q: What are the most important lessons that we can learn from Africa's post-colonial history?

A: Meredith's book offers several valuable lessons:

- **The importance of understanding the historical context of challenges.**
- **The need for tailored solutions to complex problems.**
- **The potential for progress through collaboration and partnerships.**
- **The enduring legacy of colonialism and the challenges it poses to development.**
