The Code of Federal Regulations (CFR)\*\*

### Overview

The CFR is a compilation of regulations and rules published by the federal government. It contains the official and legally enforceable regulations issued by executive departments and agencies of the United States.

### Titles and Coverage

The CFR is divided into 50 titles, which represent broad areas subject to federal regulation:

- Title 46: Shipping

### Specific Titles

- **Title 46 (46 CFR)** covers shipping and navigation, including regulations on merchant marine safety, commercial vessels, and ocean dumping.

### Legal Binding

The CFR is legally binding. Violators of CFR regulations can face penalties, including fines and imprisonment.

### Common Rule CFR 46

CFR 46 is the Common Rule, which sets forth ethical principles and requirements for the protection of human subjects in research sponsored by the Department of Health and Human Services (HHS).

## **Vulnerable Populations (45 CFR Part 46)**

HHS regulations in 45 CFR Part 46 define vulnerable populations as those that are susceptible to exploitation or harm. These include pregnant women, prisoners, and children.

## **Regulatory Status**

45 CFR 46 raised ethical guidelines for the protection of human subjects in research to the status of federal regulations.

## **Differences from Other Legal Sources**

- **Federal Register vs. CFR:** The Federal Register publishes proposed and final rules before they are incorporated into the CFR, which is a cumulative compilation of regulations.
- **U.S. Code vs. CFR:** The U.S. Code contains laws passed by Congress, while the CFR contains regulations promulgated by executive agencies.

## **How to Read the CFR**

To read the CFR, locate the relevant title and section. The CFR is organized as follows:

- Title (e.g., Title 46)
- Part (e.g., Part 164)
- Section (e.g., § 164.01)

## **Additional Information**

- **Highest Law in the U.S.:** The United States Constitution
- **CFR Publisher:** Office of the Federal Register, National Archives and Records Administration
- **Federal Register Publisher:** Government Publishing Office
- **Number of Titles in 21 CFR:** 10
- **Title 3 of the CFR:** The President

- **Number of Volumes of the CFR:** 227
- **Titles Representing Federal Regulation:** Located in the front of each CFR volume
