**Is Black Bird based on a true story?** Apple TV's hit show Black Bird tells the incredible true story of one man's attempt to uncover evil, yet fans of the show may still be shocked further still when they understand all the details of the Black Bird show's true story.

**What is Black Bird about on Netflix?** Jimmy Keene is sentenced to 10 years in a minimum security prison but he cuts a deal with the FBI to befriend a suspected serial killer. Keene has to elicit a confession from Larry Hall to f... Read all.

**Where can I watch the Black Bird series?** Watch Pilot - Black Bird (Season 1, Episode 1) - Apple TV+

**Will there be a season 2 of Black Bird?**

**What happened to Jimmy Keene?** He was charged in 1996 by the Federal Bureau of Investigation (FBI) and the Drug Enforcement Administration (DEA) on a conspiracy charge. Prior to his sentencing, Keene refused and declined any cooperating deals that would require him to act as an informant against anyone. He was sentenced to 10 years in prison.

**Is Larry Hall alive?** Hall's eventual appeal was denied and Keene was released from his sentence. Hall is serving life without the possibility of parole in Federal Correctional Complex in North Carolina.

**Does Jimmy get out of jail in Black Bird?** As noted in the Black Bird ending, after spending seventeen months in prison, Jimmy Keene was released in 1999. In 2010, he published his book, In With the Devil: A Fallen Hero, A Serial Killer, and a Dangerous Bargain for Redemption, which he co-wrote with investigative journalist

Hillel Levin.

**Is Black Bird a good series?** Black Bird is an enjoyable series, but in the genre of true crime stories, it underdelivers overall.

**Who was the serial killer in Black Bird?** The true crime miniseries Black Bird follows James "Jimmy" Keene as he goes undercover to extract a confession from suspected serial killer Larry Hall. The show is based on Keene's 2010 memoir, *In with the Devil*, which recounts his very real experience with Hall, a man who may be responsible for more than 40 murders.

**Did Jimmy Keene ever marry?** Keene chooses to keep his private life just that, and little is known about his family, whether he is currently married (James Keene was married to Lynn Keene) or has kids. His father, James "Big Jim" Keene, was a decorated police officer who passed away in November 2004 at the age of 67.

**Did they ever find the bodies in Black Bird?** Since the most crucial piece of evidence — Larry's map — was never discovered, the Black Bird ending establishes Larry's victims' bodies were never found. Over the years, Larry Hall has been speculated to be the murderer of over forty-five women.

**Is One for the Black Bird One for the Crow a true story?** Blackbird is much more loosely based on fact, but I did find the core of that story in a family tale of adultery, death, and the forced cooperation of two women who really, really hated each other's guts, but had no choice but to work together if they wanted to survive out on the Wyoming frontier.

**Is The Black Bird Girls Based on a true story?** This story is based on true events about a disaster that occurred in Chernobyl in 1986.
