**What happened to Fountas and Pinnell?** EdReports—a nonprofit organization that reviews K-12 instructional materials in English/language arts, math, and science—published its evaluation of Fountas and Pinnell Classroom Tuesday, finding that the program didn't meet expectations for text quality or alignment to standards.

**What is Fountas and Pinnell reading program?** The Fountas & Pinnell Leveled Literacy Intervention System (LLI) is an intensive, small-group, supplementary literacy intervention for students who find reading and writing difficult. The goal of LLI is to lift the literacy achievement of students who are not achieving grade-level expectations in reading.

**Is Fountas and Pinnell a good reading assessment?** Fountas and Pinnell have released only one study to back up the Benchmark Assessment System's accuracy. But even their own study casts doubt on the reliability of the test. The study showed that a student reading two books rated at the same level would often get different results on the assessment.

**What reading level is blue?** Blue level (KS2) This level is more advanced than many books that are sold to adults but these stories are not intended to be just 'leisure reads'. Although your child should enjoy them, the books need the reader to be fully alert and willing to learn.

**What age is blue level reading books?** Blue book band Recommended reading age 5 - 6 years.

**Do Fountas and Pinnell teach phonics?** The Fountas & Pinnell Phonics, Spelling, and Word Study System offers explicit lessons for whole-group instruction and individual, partner, or small-group application that help students attend to, learn about, and efficiently use sounds, letters, and words.

**Is Fountas and Pinnell a summative or formative assessment?** The Fountas & Pinnell Benchmark Assessment Systems are accurate and reliable tools to identify the instructional and independent reading levels of all students and document student progress through one-on-one formative and summative assessments.

**Who owns Fountas and Pinnell?** Fountas & Pinnell reading levels (commonly referred to as "Fountas & Pinnell") are a proprietary system of reading levels developed by Irene Fountas and Gay Su Pinnell and published by Heinemann to support their Levelled Literacy Interventions (LLI) series of student readers and teacher resource products.

**Why not use Fountas and Pinnell?** F&P is Subjective! The Fountas & Pinnell Benchmark Assessment System is a subjective measure. This is because there is no right or wrong answer, and a teacher's beliefs, assumptions, emotions, and opinions can influence the outcome of the score. Objective assessments have a single correct answer.

**Is Fountas and Pinnell research based?** The Research Base for Fountas & Pinnell Classroom™ Like other effective comprehensive systems, Fountas & Pinnell Classroom™ rests on a thorough and thoughtful examination of existing research.

**What is the main idea of Fountas and Pinnell?** The Fountas & Pinnell Phonics, Spelling, and Word Study System (PWS) is a collection of 100 lessons (PreK-3) and 105 lessons (4-6) designed to expand and refine children's reading and writing powers, and enable you to help children attend to, learn about, and efficiently use information about sounds, letters, and words ...

**Is F&P a standardized test?** The introduction to each Benchmark Assessment book is standardized and printed on the cover as well as on the Recording Form. The steps for administration, scoring, and analysis are all standardized and explained in detail in the Assessment Guides.

**Where are Fountas and Pinnell now?** Pinnell, who is now retired, founded OSU's Literacy Collaborative, and Fountas founded and still directs Lesley's Center for Reading Recovery & Literacy Collaborative. Teachers College at Columbia University also provided training based on cueing through the Teachers College Reading & Writing Project.
