

# COMPUTER ARCHITECTURE OBJECTIVE TYPE QUESTIONS WITH ANSWERS

## [Download Complete File](#)

**What are the objectives of computer architecture?** 1 To know the background of internal communication of computer 2 To have better idea on how to write assemble language programs 3 To be clear with memory management techniques 4 To better with IO devices communication with processor 5 To notice how to perform computer arithmetic operations 6 To be clear with pipeline ...

**What are the objective type questions in exam?** Objective tests require recognition and recall of subject matter. The forms vary: questions of fact, sentence completion, true-false, analogy, multiple-choice, and matching. They tend to cover more material than essay tests. They have one, and only one, correct answer to each question.

**What is an instruction code in computer architecture mcq?** Description: A group of bits that tells the computer to perform a particular operation is called an Instruction Code.

**What does a computer bus line consists of Mcq?** A bus consists of a set of common lines, one for each bit of register, through which binary information is transferred one at a time.

**What are the main components of computer architecture?**

**What are the objectives of architecture?** The objectives of the architecture and building research are essentially : to promote the architectural research and

development, to strengthen the standard of building safety and construction technology, as well as to improve the quality of living environment.

**How do I prepare for an objective type exam?** Because you should go beyond memorizing answers for your test terms, you should team up with a study partner and create your own multiple choice practice test. Each of you should write out one right and several wrong answers. Then, you should discuss why each potential answer is correct or incorrect.

**What is an example of objective types of questions?** Objective questions are those based in fact, where a respondent's answer can be determined as right, wrong, true or false. An example of an objective question would be to ask where someone lives or what they bought from your store.

**What are objective type answers?** Objective tests are questions whose answers are either correct or incorrect. They tend to be better at testing 'low order' thinking skills, such as memory, basic comprehension and perhaps application (of numerical procedures for example) and are often (though not necessarily always) best used for diagnostic assessment.

**What are the objectives of system architecture?** Systems architecture optimizes the overall performance of a system by carefully orchestrating its components. By designing systems with efficiency in mind, businesses can ensure that their applications and processes run smoothly.

**What is the purpose of a computer system architecture?** Computer architectures represent the means of interconnectivity for a computer's hardware components as well as the mode of data transfer and processing exhibited. Different computer architecture configurations have been developed to speed up the movement of data, allowing for increased data processing.

**What are the objectives of computer design?** The objective of system design is to create a plan for a software or hardware system that meets the needs and requirements of a customer or user. This plan typically includes detailed specifications for the system, including its architecture, components, and interfaces.

**What are the objectives of computer programming?** The learning objectives in a computer programming course include developing programming skills, improving problem-solving abilities, enhancing abstraction and understanding of problems, and constructing algorithms and programs .

**What is the story behind the conquest of Paradise?** It portrays a version of the travels to the New World by the Italian explorer Christopher Columbus and the effect this had on indigenous peoples. The film was released to celebrate the 500th anniversary of Columbus' voyage.

**How historically accurate is the 1492: Conquest of Paradise?** This film is not completely historically accurate, although it is fairly true to events. Some omissions are Columbus' mistress by which he had a second son, which is not even mentioned in the film, which tends to paint Columbus almost as a saintly figure. He was far from that.

**Who composed Conquest of Paradise?** "Conquest of Paradise" is a song recorded by Greek composer Vangelis. It was the soundtrack from Ridley Scott's 1992 film 1492: Conquest of Paradise and the lead single from the album of the same name.

**What film is Vangelis' Conquest of Paradise?** Conquest of Paradise - Vangelis Papathanasiou From the soundtrack of the film: «1492 Conquest of Paradise» directed by Ridley Scott and starring Gérard Depardieu as Christopher Columbus.

**Who is the villain in conquest of paradise?** Adrián de Moxica is a Spanish nobleman and explorer who is also the main antagonist of the 1992 Ridley Scott film 1492: Conquest of Paradise.

**What happened in 1492?** October 12, 1492, is of enormous significance in Western history: It is the day when explorer Christopher Columbus completed his journey across the Atlantic Ocean and landed in the "New World."What Columbus actually reached on that October day was an island he named San Salvador that is now part of the Bahamas.

**Why is 1492 called the year that changed the world?** The events which propelled the year into Western consciousness, listed below, include the completion of the

COMPUTER ARCHITECTURE OBJECTIVE TYPE QUESTIONS WITH ANSWERS

Reconquista of Spain, Europe's (Spain) discovery of the New World, and the expulsion of Jews from Spain.

**What happened in the world on 3 8 1492?** Caravels of Columbus On August 3, 1492, Italian explorer Christopher Columbus started his voyage across the Atlantic Ocean. With a crew of 90 men and three ships—the Niña, Pinta, and Santa Maria—he left from Palos de la Frontera, Spain.

**What happened in 1492 other than Columbus?** This travel class uses 1492 as a lens to explore the Roman, Arab, and Christian history of Spain, focusing on the Christian conquest of Muslim Granada, the Christian expulsion of the Jews and the creation of the Sephardic diaspora, and the fateful Columbus voyage which brought together the fates of Africa, the Americas ...

**Is 1492: Conquest of Paradise a good movie?** In its own way and up to a certain point, 1492 is a satisfactory film. Depardieu lends it gravity, the supporting performances are convincing, the locations are realistic, and we are inspired to reflect that it did indeed take a certain nerve to sail off into nowhere just because an orange was round.

**Who is the artist of paradise?** "Paradise" is a song by the British rock band Coldplay, released on 12 September 2011 as the second single from their fifth album, Mylo Xyloto. The song received its radio debut at 7:50 a.m. on The Chris Moyles Show (BBC Radio 1) on 12 September 2011.

**Who made songs of conquest?** Songs of Conquest is a turn-based strategy game developed by Lavapotion and published by Coffee Stain Publishing.

**Where was Conquest of Paradise filmed?** In Seville, filming took place in the Real Alcázar of Sevilla, the royal palace, and in the Casa de Pilatos, Plaza de Pilatos, according to legend a copy of the 'Jerusalem house of Pontius Pilate.

**What is the film 1492 about?**

**Who was the actor who played Christopher Columbus?** Scott's film did a way more convincing (and artistic) rendition of the Atlantic voyage. However, "Discovery" has the superior cast with unknown Frenchman Georges Corraface charismatic in the title role, although Gérard Depardieu is more convincing in the role in "1492"

COMPUTER ARCHITECTURE OBJECTIVE TYPE QUESTIONS WITH ANSWERS

when you consider historic artist depictions.

**Who is Father Balder?** Father Balder, Master of the Heavens, is the main antagonist in Bayonetta. He is the CEO of the Ithavoll Group and one of the prime influences of the introduction of the Laguna faith to the people of Isla Del Sol. He was responsible for starting the Witch Hunts and the death of many Umbra Witches.

**Who is rien?** Rien ( 连 , Pinyin: Lián), also known by the moniker Shangdi Samantabhadra (善吉祥王, Fugen J?tei), was a Tensen-class Sennin who served as the true ruler of Kotaku, the progenitor of the Tensens, and the leader of Lord Tensen.

**Are the Tensens evil?** The Tensens are a group of antagonistic species of the manga and anime series Hell's Paradise.

**What happened in 1680?** In 1680, the Pueblo launched a coordinated attack on the Spanish. Pueblos, Navajos, and Apaches from the region congregated and planned to strike Santa Fe when the Spaniards were low on supplies. They laid siege to the city for nine days and cut off the Spanish water supply.

**What finally fell in 1492?** The kingdom of Granada falls to the Christian forces of King Ferdinand V and Queen Isabella I, and the Moors lose their last foothold in Spain.

**What ended in 1492?** The Reconquista began with the Battle of Covadonga about 718, when Asturias engaged the Moors, and it ended in 1492, when Ferdinand and Isabella (the Catholic Monarchs) conquered Granada.

**Who named America?** It is generally accepted that the name derives from Amerigo Vespucci, the Italian explorer, who explored the new continents in the following years on behalf of Spain and Portugal, with the name given by German cartographer Martin Waldseemüller.

**Who found America first?** Sure, Columbus made America known to the Europeans who ultimately conquered it, but he didn't discover it by any means. He also wasn't the first European to reach the Americas. Centuries before him, the Vikings set foot on America. Leif Erikson, the son of Erik the Red, was a Norse explorer from Iceland — a Viking.

**Did Columbus think he was in India?** He claimed the island for the King and Queen of Spain, although it was already populated. Columbus called all the people he met in the islands 'Indians', because he was sure that he had reached the Indies.

**What happened in 1492 that changed the world?** We were taught that 1492 was the year that the Italian Christopher Columbus and his crew, sailing on behalf of the Spanish monarchy, discovered the New World, setting the stage for the America we now know to be created.

**Why was 1492 so important?** Columbus's voyage of discovery also had another important result; it contributed to the development of the modern concept of progress. To many Europeans, the New World seemed to be a place of innocence, freedom, and eternal youth. Columbus himself believed that he had landed near the Biblical Garden of Eden.

**How should 1492 be remembered?** Columbus's voyages represent one of the major discontinuities in human history. His voyages truly represented a historical watershed, with vast repercussions for all aspects of life in both the Old World and the New.

**What is the true story of Paradise Road?** About the Book In 1942, a group of Australian Army nursing sisters was evacuated from Malaya a few days before the fall of Singapore. Two days later their ship was bombed and sunk by the Japanese. Of the fifty-three survivors who scrambled ashore, twenty-one were murdered and the remainder taken prisoner.

**What is the story behind this side of paradise?** This Side of Paradise chronicles the life of Amory Blaine from his childhood up through his early twenties. Born the son of a wealthy and sophisticated woman, Beatrice, Amory travels the country with his mother until he attends the fictitious St. Regis prep school in New England.

**What is the true history of paradise about?** Book overview Political unrest and violence in early 1980s Jamaica serve as the backdrop for a young woman's struggle to come to terms with her past and her country's history in Cezair-Thompson's strong debut novel.

**What is the story behind Paradise Lost?** The poem is a retelling of the story of Adam and Eve from the biblical book of Genesis which describes the creation of Heaven and Earth and of Adam and Eve. This poem fleshes out this story and imagines the couple's reactions to the events that led to them being expelled from the Garden of Eden (or Paradise).

**How does Paradise Road end?** Eventually, the war ends and the choir performs for a final time before rejoicing in their freedom.

**Is Come See The Paradise Based on a true story?** Come See the Paradise is a Hollywood dramatized historical film. It incorporates aspects of historical facts, but alters it greatly in order to make it more relatable to the average American.

**Is Beyond Paradise Based on a true story?** The story was very good, and it was supposedly very loosely based on Cunningham's experiences growing up in Hawaii. I would be interested in finding out the extent of the movie that was true, which brings me to my last point. The movie was mostly good when you accept it for what it is, but the DVD is unforgivable...

**What is the plot summary of Paradise?** Paradise is a novel about the downfall of a perceived utopia. Ruby is an all-Black town where the residents are reluctant to accept outsiders. A nearby former convent, which now houses wayward women, is the focus of blame for the impure and bizarre events taking place in Ruby.

**What happens at the end of This Side of Paradise?** Eventually, having discarded or lost convention, love, and money, Amory experiences a deep self-realization, and comes to see his own selfishness. In the final line of the novel he claims that now, finally, he knows himself, "but that is all--" This line consummates the quest of the entire book.

**What is the main idea of paradise?** In religion, paradise is a place of everlasting happiness, delight, and bliss. Paradisiacal notions are often laden with pastoral imagery, and may be cosmogonical, eschatological, or both, often compared with the miseries of human civilization: in paradise there is only peace, prosperity, and happiness.

**What religions believe in paradise on earth?** Accounts of a primordial earthly paradise in the higher religions range from that of a garden of life (Judaism, Christianity, Islam) to that of a golden age of human society at the beginning of each cycle of human existence (Buddhism, Hinduism).

**Is paradise in heaven or on earth?** According to the scriptures in the holy bible, paradise is the throne of God, where the lamb of God (Jesus Christ), and the tree of life also reside, called heaven. This (paradise) is located in the 3rd heaven. There are three (3) levels of heaven.

**Is paradise a real place?** Paradise is a town in Butte County, California, United States, in the Sierra Nevada foothills above the northeastern Sacramento Valley.

**What is the deeper meaning of Paradise Lost?** John Milton's epic poem, Paradise Lost, relies on the underlying structure of ancient epics to portray the Christian worldview as noble and heroic, arguing that God's actions, for people who might question them, are justified, hinting that humankind's fall serves God's greater purposes.

**Who is the first angel to fall from Heaven in Paradise Lost?** Satan, formerly called Lucifer, is the first major character introduced in the poem. He is a tragic figure who famously declares: "Better to reign in Hell than serve in Heaven" (1.263). Following his vain rebellion against God he is cast out from Heaven and condemned to Hell.

**Who is God in Paradise Lost?** An omniscient, omnipresent, and omnipotent character who knows everything before it happens. Attempting to present such an unimaginable character accurately, Milton appropriates several of God's biblical speeches into his speeches in Paradise Lost.

**What does FIFA Law 12 says?** Rule 12: Fouls and Misconduct In FIFA's "Constitution", Laws of the Game, a foul is the act of kicking, tripping, jumping in/at, charging, striking or pushing an opponent. Fouls can only occur when the ball is in play, but misconduct can occur when it's out of play as well.

**What is FIFA regulations?** The FIFA Clearing House Regulations cover the three-step process of automatic calculation and distribution of training rewards: (1)

identification of entitlement to training rewards, (2) creation of an electronic player passport (EPP), and (3) transfer of payments between clubs through the FCH entity.

**What is Law 13 in FIFA Laws of the Game?** Feinting to take a free kick to confuse opponents is permitted as part of football. If a player, while correctly taking a free kick, deliberately kicks the ball at an opponent in order to play the ball again but not in a careless or reckless manner or using excessive force, the referee allows play to continue.

**What is Law 8 in FIFA Laws of the Game?** A kick-off starts both halves of a match, both halves of extra time and restarts play after a goal has been scored.

**What is rule 13 in soccer?** if a direct free kick is kicked directly into the opponents' goal, a goal is awarded. if an indirect free kick is kicked directly into the opponents' goal, a goal kick is awarded. if a direct or indirect free kick is kicked directly into the team's own goal, a corner kick is awarded.

**What is rule 16 in soccer?** IFAB Laws of the Game 2024-25. Law 16 The Goal Kick. A goal kick is awarded when the whole of the ball passes over the goal line, on the ground or in the air, having last touched a player of the attacking team, and a goal is not scored.

**What is the FIFA no rules?** In No Rules, several of the usual rules and restrictions are lifted, allowing for a more free-flowing and entertaining style of play. In simple terms, in the No Rules mode, players engage in a classic 11v11 match without offsides, fouls, or bookings. From the main Football Club screen, navigate to [Kick Off];

**How many rules does FIFA have?** Soccer has 17 laws or “rules” by which the game is played. Most of these laws are easy to understand. The laws are designed to make soccer fun, safe, and fair for all participants.

**What is Article 18 of the FIFA regulations?** The FIFA Regulations on the Status and Transfer of Players contain special provisions relating to contracts between professional players and clubs. Article 18(1) specifically states that if an intermediary was involved in the negotiations of a contract, he or she must be named in that contract.

**What is law 10 of FIFA?** Law 10: Determining the Outcome of a Match If a referee signals a goal before the ball has passed wholly over the goal line, play is restarted with a dropped ball. The team scoring the greater number of goals is the winner. If both teams score no goals or an equal number of goals the match is drawn.

**What does FIFA Law 11 says?** It is not an offence to be in an offside position. A player is in an offside position if: any part of the head, body or feet is in the opponents' half (excluding the halfway line) and.

**What is Law 2 in FIFA Laws of the Game?** In matches played in an official competition organised under the auspices of FIFA, confederations or national football associations, no form of commercial advertising is permitted on the ball, except for the logo/emblem of the competition, the competition organiser and the authorised manufacturer's trademark.

**What is FIFA Law 4?** A player must not use equipment or wear anything that is dangerous. All items of jewellery (necklaces, rings, bracelets, earrings, leather bands, rubber bands, etc.) are forbidden and must be removed. Using tape to cover jewellery is not permitted.

**What is law of the game 7?** A match lasts for two equal halves of 45 minutes which may only be reduced if agreed between the referee and the two teams before the start of the match and is in accordance with competition rules.

**What is Law 12 in soccer FIFA?** Delving into football Law 12 In summary, Law 12 states that a foul is awarded when a player engages in foul play, uses offensive language, intentionally handle the ball (unless it is the goalkeeper inside their penalty area), or commits other unsportsmanlike behavior.

**What is the law 14 in soccer?** A penalty kick is awarded if a player commits a direct free kick offence inside their penalty area or off the field as part of play as outlined in Laws 12 and 13. A goal may be scored directly from a penalty kick.

**What is rule 4 in soccer?** Rule 4 – Throw-Ins To have a proper throw-in, the player must plant both feet on the ground and uses both hands to throw the ball back into play. Both hands must come behind the head of the player and the player cannot cross the sideline. Their feet must remain outside the line of play.

**What is rule 10 in soccer?** The specific wording of Law 10 states that, "A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no offense has been committed by the team scoring the goal." "If the goalkeeper throws the ball directly into the opponents' goal, a goal kick ...

**What is rule 2 in soccer?** Rule 2 - The Ball Regulation is circumference 27-28", weight 14-16oz. In youth soccer, ball size is adapted by age group (size 3 for U6-U8, size 4 for U9-12, and size 5 for U13 and up). Rule 3 - Number of Players Normally 11, but may be as few as 7 including the goalkeeper.

**What is the hardest rule in soccer?** The offside rule is one of the most complex rules in soccer. This rule can be challenging to understand, especially if you're new to the game. The short definition: the rule prohibits you from being behind the last defender, not including the goalkeeper.

**What is rule number 1 of soccer?** The field of play must be a wholly natural or, if competition rules permit, a wholly artificial playing surface except where competition rules permit an integrated combination of artificial and natural materials (hybrid system). The colour of artificial surfaces must be green.

**What is the rule number 12 in soccer?** In summary, Law 12 states that a foul is awarded when a player engages in foul play, uses offensive language, intentionally handle the ball (unless it is the goalkeeper inside their penalty area), or commits other unsportsmanlike behavior.

**What does FIFA Law 11 says?** It is not an offence to be in an offside position. A player is in an offside position if: any part of the head, body or feet is in the opponents' half (excluding the halfway line) and.

**What does FIFA stand for in law?** Final investment Decision: In a nuclear context the term is used to refer to the final decision of a company to invest or not invest in a particular project.

**What is Law 2 in FIFA Laws of the Game?** In matches played in an official competition organised under the auspices of FIFA, confederations or national football associations, no form of commercial advertising is permitted on the ball,

except for the logo/emblem of the competition, the competition organiser and the authorised manufacturer's trademark.

**Who invented theory of structures?** Navier was the first to establish theory of structures as an independent scientific discipline.

**Who created structural theory?** Saussure. The origins of structuralism are connected with the work of Ferdinand de Saussure on linguistics along with the linguistics of the Prague and Moscow schools. In brief, Saussure's structural linguistics propounded three related concepts.

**Who is the father of structure?**
