The Member of the Wedding: A Journey of Self-Discovery by Carson McCullers

1. Who is Frankie Addams, the protagonist of the novel?

Frankie Addams is the troubled and introspective 12-year-old narrator of "The Member of the Wedding." She grapples with feelings of loneliness, inadequacy, and an overwhelming desire to belong.

2. What is Frankie's relationship with her brother, Jarvis?

Jarvis is Frankie's older brother and the only person she feels close to. However, Jarvis is about to get married and move away, leaving Frankie feeling abandoned.

3. How does Frankie cope with Jarvis's impending departure?

Frankie becomes fixated on being included in Jarvis's wedding party. She even goes so far as to pretend to be a boy named Frankie Addams to join her brother and his fiancée as "the member of the wedding."

4. What does Frankie's journey as "the member of the wedding" reveal about her identity?

Through her experience as a make-believe boy, Frankie explores different aspects of her own personality. She discovers that she is both capable and vulnerable, and that she ultimately needs to find her own sense of belonging within herself.

5. How does the novel conclude?

The wedding day arrives, and Frankie ultimately realizes that she cannot truly be a member of someone else's union. She lets go of her fantasy and faces the truth that her journey of self-discovery is still ongoing. As the novel ends, Frankie is filled with a sense of both sadness and hope for the future.
