soulmates can be platonic friends, family members, and even teachers or mentors. They can also be romantic relationships that are meaningful for a time and then come to an end ...

How to tell if someone is the one?

How do you know if someone is your person? You can look for these signs: You bring the best out in each other. You care about each other's opinions. You're both comfortable being vulnerable and letting your walls down. You love being together but encourage each other to have your own interests.

Do Hindus believe in soulmates? "In Hindu culture, there's an idea that you have a karmic connection with certain souls. In the Gujarati language, it's called lehn: the link with another soul that causes you to keep crossing paths, positively impacting each other. It describes someone who helps you lead a life that serves a higher purpose.

What happens when your soulmate thinks about you? You will either hear their voice or would sense their touch. You may be anywhere doing anything, and if your soulmate is thinking of you, you will sense their presence. This may be spooky, as you might hear their voice while you're attending an important business meeting, but don't panic.

How do I find who is my soulmate?

How do soulmates behave? Your soulmate is always there for you. Soulmates are there for each other through the ups and downs of life, and they support each other no matter what. Whether facing a difficult challenge, going through a personal crisis, or simply having a bad day, you know that your soulmate will be there for you.

How to know if the universe is telling you to be with someone? The universe can convey powerful messages through dreams. Repeated dreams about someone you've never met before could be your subconscious mind creating an image of someone you will love in the future – a sign that the universe is setting you up with your soulmate or “twin flame”.

How do soulmates recognize each other? Souls recognize each other not by the way they look, but by the way they feel. Consider this: you've met someone for the

first time, and within moments, you have a sense of whether you resonate with them or not. It's a feeling deep within you, a gut instinct that surpasses any logic or reasoning.

What happens when a soul finds its soulmate? When you find your soulmate, you'll find a person who feels like home. No matter where you are, distance doesn't matter. As long as you are with your soulmate, you're home. This person brings you peace and calmness, and when you're troubled, you just want to be with this person, and you'll rest.
