**What is the most comprehensive dictionary in the English language?** More than a dictionary, the OED is a comprehensive guide to current and historical word meanings in English. The Oxford English Dictionary (OED) is widely accepted as the most complete record of the English language ever assembled.

**What is Persian in English Oxford?** /pɜːrɪən/ from or connected with ancient Persia, or modern Persia, now called Iran.

**When was the first Persian dictionary compiled?** Early lexicography in Persia (4th-9th/10th-15th cent.). The first Persian dictionary about which some information has come to us is the one compiled by the 5th/11th-century poet Qaṣṣī Tabrizī (but see Ebn al-Nadīm, ed. Flügel, p. 143 on Abu'l-Qāsem Jarrī) which, according to Lāt-e fors (Dabīrsīq, p.

**How many words are there in Persian dictionary?** New words are also extensively formed by compounding – two existing words combining into a new one, as is common in German, Sanskrit and hence most of the Indian languages. The Persian dictionary consists of 343,466 words and Persian language is able to make 225 million words.

**Which dictionary is better than Oxford?** While the Oxford English Dictionary provides the definition and origin of the word, the Cambridge Dictionary provides a more practical explanation as well as an example of how to use the word in a sentence.

**What is the most advanced dictionary in the world?** The Oxford Advanced Learner's Dictionary is the world's bestselling advanced level dictionary for learners of English.

**Is Persian older than English?** Farsi is one of the oldest languages spoken on earth today, but that doesn't mean people can't understand it. In fact, Farsi speakers today are able to read and understand the Persian language of 1700 years ago with more ease than an English speaker might have reading an English text of even 500 years ago.

**Why is Persian called Farsi?** Old Persian, by contrast, and its immediate descendant Middle Persian, originated in a province in southwest Iran that was once the center of the Persian Empire -- Parsa or Fars, hence the contemporary Persian name of the language: Farsi.

**What are Persians called now?** Subsequently, the common adjective for citizens of Iran changed from Persian to Iranian. In 1959, the government of Mohammad Reza Pahlavi, Reza Shah's son, announced that both "Persia" and "Iran" could be used interchangeably, in formal correspondence.

**What is the most complete dictionary in the world?** The Oxford English Dictionary (OED) is widely regarded as the accepted authority on the English language.

**Which one is better, Oxford or Cambridge Dictionary?** When it comes to definitions, Cambridge and Oxford take fairly different approaches. While the Oxford English Dictionary gives you the meaning of the word as well as its origin, the Cambridge Dictionary gives a more practical explanation along with an example of how to use the word in a sentence.

**What is the most concise English dictionary?** Authoritative and up to date, the Concise Oxford English Dictionary offers unsurpassed coverage of English, perfect for anyone who needs a handy, reliable resource for home, school, or office. The Concise Oxford English Dictionary is one of the most popular choices in Oxford's renowned dictionary line.

**What is the best English to English dictionary in the world?** Cambridge Dictionary | English Dictionary, Translations & Thesaurus.
