## **The Peony Pavilion: Second Edition**

### **1. What is the Peony Pavilion Mudan Ting Second Edition?**

The Peony Pavilion Mudan Ting Second Edition is a revised and updated version of Tang Xianzu's classic Kunqu opera, The Peony Pavilion. The second edition was

published in 1641, over 20 years after the original version. It includes significant changes and additions to the text, as well as revised musical arrangements.

## **2. What are the key differences between the first and second editions?**

The most significant difference between the first and second editions is the addition of a new scene, "The Dream of the Red Chamber." This scene, which is not present in the original version, introduces a new character, Jia Baoyu, who serves as the narrator in the second edition. Other changes include the expansion of certain scenes, the addition of new songs and lyrics, and the revision of the language to make it more easily understood by contemporary audiences.

## **3. Why was The Peony Pavilion Mudan Ting re-edited?**

There are several possible reasons why Tang Xianzu re-edited The Peony Pavilion Mudan Ting. One possibility is that he felt that the original version was not complete and that he wanted to add additional scenes and material to flesh out the story. Another possibility is that he wanted to revise the language and musical arrangements to make the opera more appealing to contemporary audiences.

## **4. What is the significance of the second edition?**

The second edition of The Peony Pavilion Mudan Ting is considered by many scholars to be superior to the original version. It is more complete and well-rounded, and the additions and revisions made by Tang Xianzu greatly enhance the opera's overall impact. The second edition has been widely performed and studied for centuries and is considered one of the masterpieces of Chinese opera.

## **5. Where can I find the Peony Pavilion Mudan Ting Second Edition?**

The Peony Pavilion Mudan Ting Second Edition is available in both print and digital formats. It can be found in many libraries and bookstores, and is also available online through retailers such as Amazon and Barnes & Noble.
