2014 Standard Catalog of World Coins 1901-2000: A Collector's Guide

The 2014 Standard Catalog of World Coins 1901-2000 is a comprehensive reference guide for collectors of coins from around the world. Published by Krause Publications, this catalog provides detailed information on thousands of coins minted between 1901 and 2000.

Q: What information does the catalog contain?

A: The catalog includes mintage figures, specifications, values, and historical background on coins from over 250 countries and territories. It also includes images of many coins, making it easier for collectors to identify and research their collections.

Q: What makes this catalog different from others?

A: The 2014 Standard Catalog of World Coins 1901-2000 offers a unique combination of accuracy, detail, and affordability. It is widely regarded as the most authoritative reference guide for collectors of 20th-century world coins.

Q: How can I use the catalog to value my coins?

A: The catalog provides up-to-date market values for each coin, based on current market trends. Collectors can use these values to estimate the value of their own coins and make informed decisions about buying, selling, or trading.

Q: Is the catalog suitable for new collectors?

A: Yes, the catalog is user-friendly and accessible to both new and experienced collectors. It includes a glossary of terms, a guide to grading coins, and tips on collecting world coins.

Q: Where can I purchase the catalog?

A: The 2014 Standard Catalog of World Coins 1901-2000 is available for purchase from online retailers, bookstores, and specialized coin dealers. It is also available as an e-book for convenient access on electronic devices.
