Is Kaplan harder than actual GMAT? While some agree that it is slightly tougher though a bit generous with their scoring algorithm, others say they are a good representative of your real GMAT performances. Either way, I will recommend that you stick to official GMATPREP Exams 1-6 to gauge your performance. Hope this helps. All the best!

Is Kaplan GMAT prep good? Kaplan's classes are taught by some of the best instructors in the business in my opinion. They are all 99th percentile GMAT scorers and have undergone additional teaching training with Manhattan.

Is 550 a bad GMAT score? Scores above 700 are generally considered strong and those below 600 are considered very weak. The following table showcases different possible combinations of scores on the Verbal and Quantitative sections and the overall GMAT score corresponding to each combination.

How hard is a 650 on the GMAT? 650 on the GMAT corresponds to 77 percentile. The reason why achieving 650 on the GMAT can get challenging is because in order to score 650 or above, you need to deal with tough questions during the GMAT exam. These questions require the skills of applying your knowledge, which requires significant practice.

How hard is it to get a 550 on the GMAT? An average student won't find scoring 550 on the GMAT too hard. In fact, an average student may be able to score 550 without much preparation. An average student will likely find scoring 660 somewhat challenging and will likely have to prepare in earnest to achieve that score.

Is Princeton Review or Kaplan better for GMAT? Generally speaking, the GMAT prep programs from both companies are quite similar, but the main differences come down to the delivery of instruction. Kaplan excels with their high-quality video lessons, while Princeton Review excels with affordable live classes.

What is the most expensive GMAT prep?

Is the actual GMAT tougher than GMAT prep? GMAT practice test difficulty levels vary significantly among third-party test providers. Some are much harder than the actual GMAT, while others are much easier. Even those that seem similar in difficulty lack the official scoring algorithm used by GMAC.

Are Kaplan tests harder? Kaplan practice questions can vary in difficulty compared to the actual MCAT, with some students finding them harder and others feeling they are comparable.

Are GMAT official practice tests harder? KEY FACT: Official practice tests use the same computer-adaptive testing system and scoring algorithm as the actual GMAT exam. With all of this in mind, there is no reason to believe that official practice tests are either easier or harder than the real test.

Is Kaplan easier than real GRE? Overall, practice tests from both companies are fairly accurate and will familiarize you with the GRE, but Kaplan's practice tests will be more difficult than the test on average, while The Princeton Review's will be a bit easier.

The Girl with Seven Names: A North Korean Defector's Story

Q: Who is the girl with seven names? Hyeonseo Lee is a North Korean defector who escaped her oppressive homeland at the age of 17. To evade authorities and protect her family, she adopted seven different aliases throughout her arduous journey to freedom.

Q: How did she escape North Korea? Lee defected in 1997 with the help of a human trafficker. She crossed the frozen Tumen River into China and then embarked on a perilous journey through Southeast Asia. After enduring numerous hardships and close calls, she finally reached South Korea in 2008.

Q: What challenges did she face during her escape? Lee encountered immense danger at every turn. She was forced to work as a sex slave in China, witnessed the death of fellow defectors, and was constantly hunted by North Korean agents.

Despite these horrors, she refused to give up hope and continued her harrowing quest for freedom.

Q: What has she done since defecting to South Korea? In South Korea, Lee has become a vocal advocate for North Korean defectors and human rights. She has written a memoir, "The Girl with Seven Names," and founded the organization "North Korea Freedom Coalition." She dedicates her life to raising awareness about the atrocities in North Korea and helping other defectors escape to freedom.

Q: What message does her story convey? Lee's incredible story is a testament to the human spirit's resilience and the power of hope. It serves as a reminder of the horrors that exist in North Korea and the determination of those who dare to escape. Her journey inspires hope and encourages others to play a part in the fight for freedom and human rights around the world.
