What is 3.845 to 3 significant figures? The number 3.845 rounded off to three significant figures becomes 3.84 since the preceding digit is even. On the other hand, the number 3.835 rounded off to three significant figures becomes 3.84 since the preceding digit is odd.

What is 6.0448 rounded to 3 sig figs? The number 6.0448 rounded to 3 significant figures would be 6.05.

What is the rule for rounding off numbers? Explain the Steps of Rounding Off
The general rule for rounding is as follows: If the number you're rounding has a 5, 6, 7, 8, or 9 after it, round it up. Example: 28 rounded to the nearest tens place equals 30. If the number you're rounding has a 0, 1, 2, 3, or 4 after it, round it down.

How to round off to 3 significant figures? We round a number to three significant figures in the same way that we would round to three decimal places. We count from the first non-zero digit for three digits. We then round the last digit. We fill in any remaining places to the right of the decimal point with zeros.

What is 0.9999 to 3 significant figures? Answer and Explanation: This means that 0.9999 rounded to three decimal places is 1.000.

How do you round a 3 digit number to the nearest 100?

What is the book Dear Dumb Diary about? Life at Mackerel Middle School is as dumb as ever -- but Jamie Kelly may have finally found the key to fame, fortune, and fabulousness. Together with Isabella and Angeline, she's come up with a moneymaking idea, and it has to do with food. Everyone likes food! They're going to be rich!

How old are they in Dear Dumb Diary? The Dear Dumb Dairy Series aka Tales from Mackarel Middle School is a series of books about Jamie Kelly and her adventures around her school or house. Jamie Kelly is a 13 year old girl in middle school. Her best friend is Isabella Vincella and her best enemy is Angeline.

Is Dear Dumb Diary appropriate? Parents need to know that Dear Dumb Diary is a family-friendly movie from the Walden Family Theater initiative based on a popular tween book series by Jim Benton. The story centers on a tween who's struggling to stand out among her (as she believes) more beautiful classmates, which leads her into a service...

What is the message of Dear Dumb Diary? The main theme of Dear Dumb Diary is that everyone sees the world differently. On page 120, an example is "I guess every place is somebody else's best place on earth, and somebody else's worst place on earth at the same time." Another theme is that the grass is always greener on the other side.

How does Dear Dumb Diary end? The movie ends with Jamie concluding that everyone has some form of "inner beauty," though much to her chagrin, Angeline calls her to proclaim that Hudson is going to be her date to Carol and Dan's wedding.

How old is Jamie in the Dear Dumb Diary movie? Jamie is a 12-year-old girl with green eyes and dirty (very dirty) blonde/brown hair. She usually wears a purple (green or pink) long-sleeved shirt with a pink (orange or blue) heart on it.

Who is the main character in the book Dear Dumb Diary? Main. Jamie Kelly – an awkward, easily embarrassed middle school girl who owns the diary and narrates the stories. She is passionate about art and glitter and is generally thought of as weird or eccentric.
