

HARLEY DAVIDSON SERVICE MANUAL 2010 SPORTSTER

[Download Complete File](#)

What motor is in a 2010 Sportster 1200? The 2010 MY Harley Davidson Sportster 1200 Custom XL1200C sports an air-cooled, 1200cc, Evolution V-twin powerplant paired to a five-speed manual transmission, and can reach its peak torque of 107 Nm at 4000 rpm.

How fast does a Sportster 883 go?

What year did Harley stop making the Sportster? Harley-Davidson manufactured the last Evolution Sportster, a Gunship Gray 883, on November 18, 2022.

What year was the first fuel injected Harley Sportster? In 2007 fuel-injection replaced the carbs on both Sportster models, a feature that rather predictably also splits opinions. If you want a bike that starts on the button, buy an injected model over a carbured one.

Is a Sportster 1200 fast? The sportsters are a bit smaller than their more expensive siblings, and very fast. The 1200. (i've paid my tax and you can google it if you don't know what i mean) really can be faster than most traffic.

What is the difference between 883 and 1200 engine? The 883 engine features 53.9 cubic inches of displacement. Compare that with the 73.4 cubic inches on the Iron 1200™. Both motorcycles feature an electronic sequential port fuel injection system. You'll get black exhaust headers and black mufflers when you go with the 883.

Is an 883 a beginner bike? The Harley Sportster 883 can be a good first bike for many reasons. For one, it's not as powerful as many other beginner bikes, meaning you may not have a hard time braking. Braking is one of the hardest things for new riders to get used to.

Can 2 people ride Sportster 883? Regrettably, the Iron 883 isn't inherently designed for this. It lacks a stock passenger seat or footpegs, and its compact, forward-weighted frame makes it ill-suited for dual occupancy.

How far can an Iron 883 go on a full tank? The tank holds 3.3 gallons of fuel, so that gives it about 168 miles between fill-ups. It doesn't have a gas gauge, but the fuel light tends to come on when you've ridden between 75 and 100 miles. If you reset when you fill up, you'll always have a good idea when it's time to pull in to a station.

Is a Sportster a real Harley? The Harley-Davidson Sportster has been an integral part of the motorcycle landscape since its inception in 1957. These bikes were designed with a specific focus on affordability, nimbleness, and simplicity.

What Harleys are girl bikes? The Harley-Davidson Softail Deluxe is a popular girl's bike for several reasons. It has a low seat height of 24.5 inches, which is excellent for stability and cornering. Customers can also purchase aftermarket kits to adjust the seat height further for a better center of gravity.

Why are Sportsters so popular? All the buyer needs are the tools and parts to perform the maintenance tasks. In fact, easy and convenient maintenance is a big reason why so many people choose the Sportster as one of their first motorcycles.

What was the last year for the carbureted Sportster? In the year 2007, all Sportster models began using fuel injection instead of a carburetor.

What does XLH mean on a Sportster? H - Starting in 1958 came the XLH, meaning Higher-power or High-compression (9:1) or Hot . C - Also in 1958 was the XLCH. The C was intended to mean "Competition". CR- Cafe racer style, with bikini fairing. LT- Touring, with bigger tank, thicker seat, and hard bags.

What is considered high miles for a Sportster? Regarding high mileage, smaller Harley sports bikes, such as the Sportster, are considered high mileage when they reach around 20,000 to 25,000 miles. However, larger touring bikes might be considered high mileage when they exceed 50,000 miles.

Is it hard to ride a Sportster? They require some adjustment to their unique handling and seating position but are generally enjoyable and not overly difficult to ride.

How to get more power out of a Sportster 1200?

Is the 1200 Sportster heavier than 883? The Sportster 1200 typically offers a bit more grunt down low, making it easier to manage on highways and when overtaking. However, the 883 is lighter and more maneuverable, which can be an advantage in urban environments or for newer riders.

How do you tell if Sportster is a 1200? The way to tell if a stock h-d sportster is an 883cc or a 1200cc is to look at the VIN number. A 1200cc will start with 1HD1 while a 883cc will start with 1HD4. The number in the fourth position of the VIN designates the engine size when it came from the factory.

What does 1200 mean on a Harley? Numbers: The numbers in a model code typically denote the engine displacement in cubic inches or cubic centimeters. For example, "883" in the Sportster 883 signifies an engine displacement of 883cc, while "1200" in the Sportster 1200 denotes a displacement of 1200cc.

What is the new Sportster engine?

What engine does a 1200 Sportster have? HARLEY-DAVIDSON Sportster 1200 (1999-2000) Specs, Performance & Photos. The 2000 MY Harley Davidson XLH Sportster 1200 has, at its heart, an air-cooled, 1200cc, XL Evolution V-Twin engine mated to a five-speed manual transmission and can produce 61 horsepower and 88 Nm of torque.

What engine is in a 2010 Harley Davidson? These days both Harley models have the 96-cubic-inch motor with six-speed transmission.

What engine is in a 2009 Sportster 1200? Powered by a 1200cc v-twin engine with a 5-speed transmission, the Sportster produces 67 hp at 5,600 rpm and 72 foot-pounds of torque at 4,300 rpm. It has a seat height of 26.3" and a dry weight of 562 lbs.

How do I identify my Sportster engine? Just as in '70-'78, the Vehicle Identification Number (VIN) is stamped on the right side of the engine crankcase and on the right down tube below the neck. In addition to these numbers, an identification label is located on the frame below the stamped VIN 21) giving the VIN and date of manufacture.

Tesis Administrasi Publik: Pertanyaan dan Jawaban

Paragraf 1: Apa itu Tesis Administrasi Publik?

Tesis administrasi publik adalah tugas akhir penelitian yang ditulis oleh mahasiswa magister di bidang administrasi publik. Tesis ini menyajikan temuan penelitian yang mendalam tentang suatu masalah atau isu terkait administrasi pemerintahan.

Paragraf 2: Apa Tujuan Tesis Administrasi Publik?

Tujuan utama tesis administrasi publik adalah:

- Untuk mengembangkan pengetahuan baru tentang aspek tertentu dari administrasi publik
- Untuk menerapkan teori dan konsep administrasi publik ke dunia nyata
- Untuk memberikan rekomendasi berbasis bukti untuk meningkatkan kebijakan dan praktik pemerintahan

Paragraf 3: Apa Tahapan Menulis Tesis Administrasi Publik?

Tahapan umum dalam menulis tesis administrasi publik meliputi:

- Memilih topik dan mengembangkan proposal penelitian
- Melakukan tinjauan pustaka dan mengumpulkan data
- Menganalisis data dan menarik kesimpulan
- Menulis draf tesis dan mendapatkan umpan balik
- Mempertahankan tesis di hadapan komite penguji

Paragraf 4: Apa Kriteria Penilaian Tesis Administrasi Publik?

Tesis administrasi publik dinilai berdasarkan:

- Originalitas dan signifikansi penelitian
- Metodologi penelitian yang kuat
- Analisis data yang komprehensif
- Kesimpulan yang logis dan didukung
- Penyajian yang jelas dan ringkas

Paragraf 5: Apa Manfaat Menulis Tesis Administrasi Publik?

Menulis tesis administrasi publik memberikan banyak manfaat, antara lain:

- Mengembangkan keterampilan penelitian, penulisan, dan berpikir kritis
- Memperoleh pemahaman mendalam tentang suatu bidang administrasi publik
- Memberikan dasar yang kuat untuk karir di bidang pemerintahan, penelitian, atau akademisi
- Meningkatkan prospek karier dan peluang profesional
