

Behavioral finance and investor types managing behavior to make better invest

[Download Complete File](#)

What are the different types of investors in behavioral finance? This framework has four behavioral investor types: the Preserver, the Follower, the Independent, and the Accumulator. Each of these types will be reviewed in detail; in fact, each has its own chapter in this book.

What are the 3 major types of investment styles? There are many investing styles deployed, with the most common being income, growth, or value-oriented. Income investors seek steady payouts, growth investors seek companies expected to grow at an above-average pace, and value investors seek deals hidden in plain sight.

What are the 3 main investment categories?
