**Is the 2009 Audi TT reliable?** A solid build, great performance and reliable. I usually prefer a manual transmission, but the automatic clutch transmission does a great job at giving the feel of a manual, I don't even feel the need to play with the paddle shift as often. The AWD great, rear carve is surprisingly capable.

**When was the Audi TT?** When the first Audi TT Coupé came onto the market in the fall of 1998, and the first TT Roadster one year later, the series production products differed only insignificantly from the previously displayed show cars – the dream of any designer.

**What does the TT stand for Audi?** The origins of Audi TT It's a good question - and the official answer isn't anything like 'Twin Turbo' or some other engine-related term, so it might come as a surprise. In fact the Audi TT is named after the Isle of Man TT motorcycle race, which means it stands for 'Tourist Trophy'.
