

# CASTLE IN THE AIR

## [Download Complete File](#)

**Do Sophie and Howl appear in Castle in the Air?** In Castle in the Air, Sophie and Howl are married and pregnant with their first child, Morgan. When Sophie is around eight months pregnant, Howl happens to be working on a divination spell for the King of Ingary when he discovers that a djinn plans to steal the Castle for itself.

**What is the story of the Castle in the Air?** Castle in the Air follows the adventures of Abdullah, a handsome young carpet salesman from Zanzib, who daydreams constantly about being a stolen prince. One day a strange traveler comes to his stand to sell a magic carpet.

**What is the Castle in the Air theory?** This theory was made popular in 1936 by John Maynard Keynes, a famous economist (as also an investor) and the theory postulates that the investors try to build a sort of castles in the air and think of the probable price rise in the future than estimating the intrinsic values of stocks.

**Does Castle in the Air have a movie?** Castle in the Air is a 1952 British comedy film directed by Henry Cass and starring David Tomlinson, Helen Cherry and Margaret Rutherford. It was based on the stage play of the same title by Alan Melville.

**Why did Sophie's hair stay gray?** Hayao Miyazaki, the director of Studio Ghibli, originally wanted to turn Sophie's hair back to brown after she was freed from her curse. However, he decided to keep it as grey in order to symbolize how Sophie has experienced many things during her journey.

**Do Sophie and Howl have a baby?** Morgan is the son of Howl Jenkins Pendragon and Sophie Hatter. He appears in Castle in the Air and House of Many Ways. Morgan is nearly two in House of Many Ways and at the end he is shoved into

Howl's Castle as he cries for Twinkle's loss.

**How do they all escape from the castle in the air?** Escaping the Castle in the Air Before the castle can float away entirely, taking the princesses and the travelers with it, they decide to leave. Milo remembers the saying that "time flies," and since Tock is a Watchdog, Milo asks Tock if he can fly. Tock can, so they all fly away from the Castle in the Air.

**Why did Howl turn Sophie into a cat?** Castle in the Air Howl sends Michael and the new apprentice away, but Sophie refuses to leave with them. She and Howl are arguing about that when the djinn comes, and Howl turns Sophie into a cat, and all of a sudden Sophie finds herself alone in the mountains north of Kingsbury.

**Why was castle taken off the air?** Low Ratings and Possible Cast Tension Are Among the Reasons Castle saw diminishing returns over the course of Season 8, averaging under 10 million viewers per episode, according to Deadline -- which was the lowest for the series.

**Is Castle in the Air a sequel?** Sorry if this has been asked and answered many times before but I just discovered that the original novel of Howl's Moving Castle has a sequel called Castle in the Air.

**What is the meaning behind the song castles in the Air?** The song describes a man who is unsatisfied with and weary of an urban lifestyle. Although native to the city, he decides to forsake not only his urban 'castle in the air' but also his love interest there.

**What is the meaning of building a castle in the air?** unrealistic plans or hopes for the future. `Along the way I have to become very, very rich. ' He shook his head in wonder at her. `You're building castles in the air, Anne. '

**What is the plot of the book Castle in the Air?** Abdullah, a humble young carpet merchant with big (day)dreams, is sold a magic carpet by a suspicious-looking stranger, which leads him to a beautiful princess named Flower-in-the-Night, a genie in a bottle, and other adventures.

**Should I read Castle in the Air before House of Many Ways?** Shannon You don't necessarily need to read Castle in the Air to read this one, but I think it enhances

CASTLE IN THE AIR

some details/characters in the book if you do.

**Who is the husband of Lettie Hatter?** When Abdullah meets Lettie, she is pregnant with a daughter. She is learning to become a witch and is also married to Benjamin Sullivan, the Royal Wizard of Ingary. (Better known on that world as Wizard Suliman) Later the two do not attend Abdullah's wedding because she goes into labor and gives birth to her daughter.

**What is Sophie's curse?** The Witch sees Howl and Sophie together, perceives Sophie as a threat by being a new romantic prospect for Howl, and curses her by turning her into an old woman.

**Why does Sophie look younger throughout the movie?** Caring and being passionate literally makes you younger. In the movie, Sophie is cursed to turn old, being in the body of a 80 year old. Yet her appearance regularly changes throughout the movie. Everytime she is empowered, excited, or passionated, she instantly turns into a younger self.

**Who broke Howl's heart?** At the castle, Miss Angorian takes hold of Calcifer to capture Howl's heart. Howl had given his heart to Calcifer. This was the contract between them; the heart kept Calcifer alive, and in return Calcifer put his magic at Howl's disposal.

**Do Howl and Sophie end up together in the movie?** It is because of this missing prince the war begins in the land, so this reveal should be exciting; when the prince is found, the war ends. However, the curse that makes him a scarecrow is broken when Turnip Head receives a kiss from his true love... Sophie, who ends up with Howl.

**Does Howl marry Sophie?** A lovely, powerful witch with red-gold hair from Ingary, Sophie is able to talk magic into objects. She has a young son named Morgan and is married to the Wizard Howl.

**Why did Howl's hair turn black?** Everyone has had a bad hair day. However, few people gave up on life over an easily fixable mistake. Thanks to Sophie's cleaning, Howl's potions got mixed around, leading his hair to change from blond to ginger. Howl accuses Sophie of ruining him and proceeds to throw a tantrum as his hair

changes to black.

**What did Milo do to get into the Castle in the Air?** Milo manages to trick the Mathemagician into agreeing to release the princesses and finds out that he must climb through the Mountains of Ignorance to reach the Castle in the Air. Although they are afraid of the demons they might encounter, Milo, Tock, and the Humbug head into the Mountains of Ignorance.

**How old are Pazu and Sheeta?** A friend of mind had an good question regarding Sheeta and the pirates who, in one part of the movie show romantic interest in her. The scene feels uncomfortable because sheeta is about 13 and the pirates are likely no younger than early 20s, with some likely hitting upper 30s.

**Why was Milo surprised to see the package in his bedroom?** One day, Milo goes into his bedroom to find a strange package waiting for him. The box is not quite square but not quite round and is addressed to "MILO, WHO HAS PLENTY OF TIME." There is no return address on the package, and Milo has no idea who might have sent it to him—it is not his birthday or Christmas.

**Why is Sophie's hair GREY in Howl's Moving castle?** Q. Why does Sophie's hair colour remain grey at the end of the film? Because it has been dyed the colour of star light by Calcifer who has just broken the contract. It is also a symbol that Sophie has changed since the beginning of the film.

**Why did Howl fall in love with Sophie?** Howl, who the rest of the country perceives as a devious womanizer eating the hearts of young maidens, falls in love with Sophie's empathy and her kindness. On the other hand, Sophie sees Howl for who he really is: a man trying to do the right thing and avoid perpetuating the cycle of abuse.

**Did Howl know it was Sophie the whole time?** In the book, Howl knew Sophie was cursed the whole time. The real reason he sent Sophie to see Mrs. Pentstemmon was to see if she could break the curse, so it didn't matter whether it was plausible.

**Does Howl appear in castle in the Sky?** Though Sophie and Howl are in both Castle in the Air and House of Many Ways, they are no longer the main characters.

**Is Howl in love with Sophie in Howl's Moving castle?** The movie's message of love and kindness resonates with audiences of all ages, making it one of the best films created by Studio Ghibli. Unlike its predecessors, Howl's Moving Castle is a love story. It is the story of Howl and Sophie falling in love and learning to accept themselves throughout the process.

**Was Sophie dreaming Howl's Moving castle?** Sophie crashes into the castle, and she dreams that Howl is consumed by his demon. She admits that she loves him in her dream, where he roars that it's too late. Howl arrives the next morning, and moves the castle again.

**How old is Sophie in Castle in the Air?** 18-year-old Sophie Hatter is the eldest of three sisters living in Market Chipping, a town in the magical kingdom of Ingary, where fairytale tropes are accepted ways of life, including that the eldest of three will never be successful.

**Do I need to read Castle in the Air before House of Many Ways?** Shannon You don't necessarily need to read Castle in the Air to read this one, but I think it enhances some details/characters in the book if you do.

**Are Howl and Sophie in House of Many Ways?** Yes, it is the prequel to "House of Many Ways", and Howl and Sophie show up in both books, you don't need to read them in order. Both don't show up until late in both books and are minor characters.

**Why is Howl looking for Sophie?** Howl's Moving Castle explained that Howl has been looking for Sophie for a long time. Sophie travels back to the past, and the Howl of the past tells her to look for him in the future. He doesn't know exactly when she'll find him, and he's been looking for her ever since.

**Why did Calcifer let Sophie in?** He allows Sophie to enter the castle because he can sense her ability to talk life into things, which makes her a perfect person to lift the contract between himself and Howl.

**Who does Howl end up with?** It is because of this missing prince the war begins in the land, so this reveal should be exciting; when the prince is found, the war ends. However, the curse that makes him a scarecrow is broken when Turnip Head receives a kiss from his true love... Sophie, who ends up with Howl.

**Did Howl know it was Sophie the whole time?** It is hinted throughout the book that Howl knew Sophie was really a young woman from very early on.

**Why did Calcifer eat Sophie's hair?** When Calcifer asks Sophie for something of hers he can consume to move the castle, Sophie gives him her hair. The cutting of hair is often symbolic of coming of age in Japanese media.

**Why does Howl's hair turn black?** Everyone has had a bad hair day. However, few people gave up on life over an easily fixable mistake. Thanks to Sophie's cleaning, Howl's potions got mixed around, leading his hair to change from blond to ginger. Howl accuses Sophie of ruining him and proceeds to throw a tantrum as his hair changes to black.

**Does Sophia know she's a witch?** Though Sophie is unwilling to admit it, she develops a crush on Howl. Sophie also learns that she's a witch with a unique gift: she can talk to things and bring them to life.

**Did Howl and Sophie get married?** A lovely, powerful witch with red-gold hair from Ingary, Sophie is able to talk magic into objects. She has a young son named Morgan and is married to the Wizard Howl.

**How did Howl lose his heart?** Howl's curse is connected to this shallow perspective on youth. During his childhood, Howl gives his heart to a fire demon, named Calcifer. He then uses Calcifer's power to build a Walking Castle, and to move it around the world, always running away from any commitment, either to love or country.

**Is there a part 2 of Howl's Moving Castle?** Castle in the Air is the sequel to the novel Howl's Moving Castle, written by Diana Wynne Jones and published in 1990.

**How to start Windows 10 step by step?**

**What displays first when you start up a Windows 10 computer?** The Lock Screen. When you turn on a Windows 10 machine, you know right away that you're not in Kansas anymore. The first thing you see is a colorful curtain that's been drawn over the computer's world. It's the Lock screen (Figure 1-1).

**Can I still download Windows 10 for free?** Microsoft kept giving away free upgrades to Windows 10 on old hardware for more than eight years. The upgrades officially ended in 2023, but I've seen scattered reports that it still works for some people.

**How to use Windows 10 effectively?**

**What are Windows 10 basics?** Windows 10 is designed to adapt its user interface based on the type of device being used and available input methods. It offers two separate user interface modes: a user interface optimized for mouse and keyboard, and a "Tablet mode" designed for touchscreens.

**How to start Windows 10 quickly?**

**Which is the first thing you switch on to start the computer?** The very first step is to turn on the computer. To do this, locate and press the power button. It's in a different place on every computer, but it will have the universal power button symbol (shown below). Once turned on, your computer takes time before it's ready to use.

**What is the name of the first screen you see when you start the computer?** The correct answer is Desktop. The first screen which appears when windows are loaded is called Desktop.

**What is the first thing a computer does when it turns on?** The BIOS starts the monitor and keyboard, and does some basic checks to make sure the computer is working properly. For example, it will look for the RAM. The BIOS then starts the boot sequence. It will look for the operating system.

**Is Microsoft still offering free Windows 10?** That loophole officially closed on September 20, 2023, when Microsoft posted an inconspicuous announcement on a website for its hardware partners. (For details, see "It's official: No more free Windows 10 upgrades".)

**How do I activate Windows 10 without a product key?** If you don't have a digital license or a product key, you can purchase a Windows 10 digital license after installation finishes. Here's how: Select the Start button. Select Settings > Update & Security > Activation .

**How long does Windows 10 free last?** Windows 10 won't expire however support will end for the OS in October of 2025. If your computer is old enough to have been upgraded to Windows 10 you should consider buying a new machine with Windows 11. Is the Windows 10 update free for a lifetime?

**What is the disadvantage of Windows 10?** Disadvantages of Windows 10: Bloatware: Windows 10 comes with pre-installed bloatware and unnecessary apps that may consume storage and impact system performance. Although some of these apps can be uninstalled, they can still be frustrating for users who prefer a clean and clutter-free system.

**When should I stop using Windows 10?** Support for Windows 10 will end in October 2025 After October 14, 2025, Microsoft will no longer provide free software updates from Windows Update, technical assistance, or security fixes for Windows 10. Your PC will still work, but we recommend moving to Windows 11.

**How to install Windows 10 perfectly?** The simplest way is to use the Reset this PC option found in Settings > Update & Security > Recovery > Get started. If this didn't work, you can do a "clean install". This is the process of reinstalling Windows completely. You'll need a flash drive of at least 8 GB.

**How to operate a computer for beginners?** Get started by setting up your computer, creating an account, and learning the basics of your desktop. It also helps to learn the basics of your mouse and keyboard, and to review how to find your files. Learn the basics of applications, too, and how to install new programs on your computer.

**What version of Windows do most people still have?**

**What is the most basic Windows 10?** Windows 10 E3 is the basic Windows, while E5 adds Windows Defender Advanced Threat Protection (ATP).

**What does BIOS fast boot do?** Fast Boot is a feature in BIOS that reduces your computer boot time. If Fast Boot is enabled: Boot from Network, Optical, and Removable Devices are disabled. Video and USB devices (keyboard, mouse, drives) won't be available until the operating system loads.

**How do I make Windows 10 fresh start?**

**How do I hard start Windows 10?**

**What is the first thing to install in a computer?** Configure the BIOS Settings The very first thing to do after building your PC is to configure the BIOS (Basic Input/Output System). The BIOS is software stored on every motherboard that instructs the computer on how to perform basic functions and helps identify the hardware in a computer.

**What button is used to shut off your computer?** To turn off your PC in Windows 10, select the Start button, select the Power button, and then select Shut down.

**What is the first piece of software that runs when starting a computer?** In computing, BIOS (/ˈbaɪˈɒs, -oʊs/, BY-oss, -ˈoʊss; Basic Input/Output System, also known as the System BIOS, ROM BIOS, BIOS ROM or PC BIOS) is firmware used to provide runtime services for operating systems and programs and to perform hardware initialization during the booting process (power-on startup).

**What is the most used desktop operating system right now?** Microsoft's Windows is the most widely used computer operating system in the world, accounting for 68.15 percent share of the desktop, tablet, and console OS market in February 2024.

**What is the small program that loads the operating system?** A boot loader (boot manager) is a small program that places the operating system (OS) of a computer into memory. When a computer powers up or restarts, the BIOS performs some initial tests and then transfers control to the master boot record, where the boot loader resides.

**What is the bar at the bottom of the desktop called?** A taskbar is a bar displayed at the bottom of a GUI desktop that is used to launch and monitor running applications.

**How do I start Windows 10 normally?**

**How do I boot straight into Windows 10?** First, press the Windows + R keyboard shortcut to open the "Run" box. Type "netplwiz" and hit Enter. We're now looking at the "User Accounts" menu. Select your account and uncheck the box for "Users must enter a user name and password to use this computer," then click "Apply."

**How do I activate Windows 10 for the first time?** Once the setup screens are completed and Windows has finished installing, go to activation settings: Select the Start button, and then select Settings > Update & Security > Activation . Then select Go to the Store to purchase a digital license to activate Windows.

**How do I run Windows 10 on startup?**

**Does a clean boot erase everything?** Does a clean boot erase everything? No, a clean boot does not erase any of your files, programs, or personal data. It is a diagnostic procedure that temporarily disables non-essential startup programs and third-party services.

**How do I make Windows 10 fresh start?**

**How do I get to the normal Start menu in Windows 10?**

**Which boot mode for Windows 10?** In general, install Windows using the newer UEFI mode, as it includes more security features than the legacy BIOS mode. If you're booting from a network that only supports BIOS, you'll need to boot to legacy BIOS mode. After Windows is installed, the device boots automatically using the same mode it was installed with.

**What button is boot options Windows 10?** Press Shift + F8 during startup, though this can be tricky due to fast boot times. Alternatively, use Shift + Restart from the Start menu.

**How to start Windows 10 without a password?**

**What is an activation key?** An activation code (also known as an activation key) is used to activate the software after installation. Activation ensures that the software is genuine and legally licensed. Unlike a product key, which is entered during installation, the activation code is applied after installation.

## **What is the product key to activate Windows 10?**

**How to activate Windows without product key?** If you have a valid license for Windows 7 or 8, you can activate Windows 10 for free. If the machine your are using has/had a valid license for Windows 7 you can install Windows 10 without specifying an activation key. Windows 10 will use the 'embedded' activation for Windows 7 and automatically activate.

**What is the pin to start?** If "Pinned to Start" is selected, the app will appear in the 'Pinned' section of the Start menu. Depending on the number of apps pinned, scrolling may be required to locate the app.

**What is the Startup menu Windows 10?** To open the Start menu—which contains all your apps, settings, and files—you can do any of the following: On the center or left end of the taskbar, select the Start icon. Note: Your taskbar settings determine where the taskbar is located.

**What is the shortcut for startup in Windows 10?** Press the Windows logo key + R, then type shell:startup, then select OK to open the Startup folder.

**What is the book milk and honey about?** Milk and Honey is a collection of poetry and prose about survival. About the experience of violence, abuse, love, loss, and femininity. It is split into four chapters, with each chapter dealing with a different pain. Healing a different heartache.

**What is the breaking about in milk and honey?** Continuing her journey of self-discovery, Kaur moves on to the third section, "The Breaking," where she addresses the societal expectations and pressures placed on women. She speaks out against the objectification and mistreatment of women, highlighting the need for empowerment and equality.

**Is milk and honey appropriate for a 13 year old?** The book is built in a structure that splits the poems into sections. Who is it aimed at? Unlike a lot of the books I review, Milk and Honey is not primarily aimed at teenagers and young people but based on the content and general themes I would caution against buying it for those under thirteen or so.

**Is Milk and Honey based on a true story?** I think it is safe to say that Milk and Honey does live up to the hype it's received, or at least it did for me. It was beautiful and emotional. And it was certainly profound. Incredibly profound, really, because these poems are not fictional – rather, they tell the story of Rupi Kaur's life in four parts.

**What does milk and honey mean in the Bible?** The two together represent the single idea of all food ranging from the everyday to the divine, the bare necessities to the highly desirable. Effectively, a land that is described as “flowing,” or that “bursts forth,” with milk and honey is one that contains an abundance of all foods.

**What does milk and honey teach?** She describes “Milk and Honey” as a reflection of her own troubles including femininity, race, sexuality, love, learning and life. Through short, organic poems, she expresses her thoughts on pain and oppression. A large part of the first chapter is about male presence in the journey to womanhood.

**Why is milk and honey controversial?** The book was banned in multiple school districts in Missouri in 2023. PEN America listed the book as one of the 11 most banned books in the 2022–2023 school year because it explores issues of sexual assault and violence.

**What is so special about milk and honey?** In addition to being incredibly calming and comforting, milk and honey can bring a rich flavor to your favorite recipes. Plus, these two ingredients have been researched for their medicinal properties and are often used as a natural remedy to treat a variety of health conditions.

**What is the hurting about in milk and honey?** The poems in “the hurting” tell the story of rupi's childhood, the abuse she faced alongside her mother, an assault that changed her life, and her father who was absent.

**What is the plot of milk and honey?** milk and honey is a collection of poetry and prose about survival. It is about the experience of violence, abuse, love, loss, and femininity. It is split into four chapters, and each chapter serves a different purpose, deals with a different pain, heals a different heartache.

**What grade level is milk and honey?** I believe it to be appropriate for a high school library, not because they may find the trauma, raw sexuality, and stark feminism

shocking...but because they may find it FAMILIAR. This book is about acknowledging the hurt done to us by ourselves and others, and how to go about healing those hurts.

**What kind of poetry is "Milk and Honey"?** Milk and Honey reads like a Liederkreis, which is defined as a collection of individually complete songs that when performed together elucidate larger overarching themes. For me, it is also hard not to notice the connections with the grammatical aesthetics of e.e. cummings in Kaur's writing.

**Why is the book called milk and honey?** The title 'milk and honey' was inspired by a poem Rupi wrote in 2012, where she used 'milk and honey' as a metaphor to describe the strength and resilience of Sikh widows who survived the Sikh genocide of 1984.

**Is milk and honey a feminist book?** The collection's primary focus is on "Feminism." Kaur's poetry serves as a rallying cry for the reclamation of women's agency, gender equality, and empowerment. The themes of "body positivity" and "self-love" are recurrent.

**What is the message in the book milk and honey?** 'milk and honey' takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

**What is the metaphor for milk and honey?** We generally accept the received definition of "milk and honey" as a metaphor meaning all good things — God's blessings; and that the Promised Land must have been a land of extraordinary fertility.

**What kind of milk did the Jews drink?** The Israelites drank goat and sheep's milk when it was available in the spring and summer, and ate butter and cheese. Honey, both from bees and date honey, was also eaten.

**What is Canaan called today?** The land known as Canaan was situated in the territory of the southern Levant, which today encompasses Israel, the West Bank and Gaza, Jordan, and the southern portions of Syria and Lebanon.

**Why is it called milk and honey?** Indeed, Israel is referred to numerous times in the Bible as “a land flowing with milk and honey,” indicating its abundant fertility. The phrase can be understood as both a physical description of the land and a spiritual metaphor.

**What is the spirituality of milk and honey?** The image of milk and honey stood in stark contrast to the bitterness and bareness the Israelites faced in slavery in Egypt. Milk pointed to the fertility and abundance they would experience in their tribe and their land, and honey pointed to the sweetness of living in unity with each other and with God.

**Why is milk and honey so important?** Honey is rich in antioxidant and antimicrobial properties, whereas milk is a rich source of calcium, protein, lactic acid, and many minerals that help your body to heal. It is known globally the various benefits that the combination of these two ingredients holds for your overall health including your skin.

**What is the message in the book Milk and Honey?** 'milk and honey' takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

**What is the meaning of the poem Milk and Honey?** The title 'milk and honey' was inspired by a poem Rupi wrote in 2012, where she used 'milk and honey' as a metaphor to describe the strength and resilience of Sikh widows who survived the Sikh genocide of 1984.

**What is the book Milkman about?** Milkman is a historical psychological fiction novel written by the Northern Irish author Anna Burns. Set during the Troubles in Northern Ireland, the story follows an 18-year-old girl, "middle sister," who is harassed by an older married man known as "the milkman" and then as "Milkman".

**Is Milk and Honey school appropriate?** now @penamerica has found it's in the list of 11 most banned books in the 2022-2023 school year because it explores issues of sexual assault and violence. it's very important to note that a majority of banned books touch on themes of lgbtq+ identities, race, gender, sexual assault, abortion, and american history.

**Why does Nick feel responsible for getting people to the funeral?** Nick feels responsible for getting people to the funeral because he is one of the few people who genuinely cared about Gatsby. He recognizes that Gatsby's extravagant parties and lavish lifestyle attracted people who were only interested in his wealth and entertainment.

**What was written in the back of the book that Gatsby's father had?** Back at the mansion, Mr. Gatz shows Nick a picture of the Gatsby's mansion that Gatsby had sent back home. He also shows him a western that Gatsby had loved to read. The back page has a schedule Gatsby had written for himself to follow, and a list of self-improvement initiatives he had undertaken.

**What does Nick remember about the day of Gatsby's death?** What does Nick remember about the day Gatsby died? The endless drill of police and photographers and newspaper men in and out of Gatsby's front door. What did Catherine do that surprised Nick?

**What two emotions are pulling Mr. Gatz?** What two emotions are pulling Mr. Gatz? The two emotion that Mr. Gatz was feeling sad and proud because he had to see his son leave so soon but had a great live because of what he accomplished.

**Why is Nick responsible for Gatsby's funeral?** Nick took care of Gatsby's funeral because he was his only close friend and the only person who really cared about him. Nobody else showed any interest in Gatsby after his death.

**Who is Nick surprised to see at the funeral?** Nick goes back to Gatsby's for the funeral, with only himself, Henry Gatz, and—to his amazement—Owl Eyes in attendance.

**What does the Chapter 9 of The Great Gatsby symbolize?** As the final chapter, chapter 9 provides closure for The Great Gatsby. The main ideas include Nick's desperation to find people for the funeral so Gatsby does not die and get buried alone and the idea that the American dream, symbolized in the story as a green light, is unattainable.

**Why does Daisy end up marrying Tom?** Why did Daisy marry Tom? Even though she was still in love with Gatsby, Daisy most likely married Tom because she knew

he could provide her with more material comforts.

**Did Gatsby's dad love him?** Henry Gatz is proud that Gatsby made something of himself, and that he proved that people do not have to stay trapped inside one social class. Gatsby's fight to be the best and to achieve his dreams eventually caused his death, but his dad is glad that he lived an exceptional life.

**Who is to blame for Gatsby's death from chapter 9?** Wilson Mr. Wilson is to blame for Gatsby's death, but we know Gatsby's death is much more complicated than that. Think about the incredibly complex chain of events leading to this murder suicide, or "holocaust," as Nick calls it. Tom is a main contributor to Gatsby's death because Myrtle was his mistress.

**Does Nick actually like Gatsby?** Nick believed that of everyone he encountered, only Gatsby was loyal, faithful and believed in love. Nick, toward the end of the book, is talking to Gatsby, and tells him, "You're better than the whole lot of the rest of them". Nick knows Gatsby's faults, and delusions, but can't help liking and admiring Gatsby.

**What does Nick find so frustrating about the funeral?** Feeling that Gatsby would not want to go through a funeral alone, Nick tries to hold a large funeral for him, but all of Gatsby's former friends and acquaintances either have disappeared—Tom and Daisy, for instance, move away with no forwarding address—or refuse to come, like Meyer Wolfsheimer and Klipspringer.

**Why is Mr. Gatz so proud of his son?** Mr. Gatz is a very proud father because he has based his pride on what his son has been able to achieve in terms of wealth, however, little does he know Gatsby was never really successful and happy because he failed to secure his future with Daisy.

**How is Gatsby's father described?** Gatz arrived from a town in Minnesota. It said only that the sender was leaving immediately and to postpone the funeral until he came. It was Gatsby's father, a solemn old man very helpless and dismayed, bundled up in a long cheap ulster against the warm September day.

**What does Tom confess to Nick?** What does Tom confess to Nick when they meet that fall? Does he regret what he has done? Months later, Nick runs into Tom

Buchanan on New York's Fifth Avenue. Tom admits that it was he who sent Wilson to Gatsby's; he shows no remorse, however, and says that Gatsby deserved to die.

**Why does Nick assume responsibility for the funeral arrangements?** No one cared about Gatsby and would arrange the funeral except for him. He called Daisy and many others but got either very little response or no response at all. So he took over and planned the funeral himself.

**Why couldn't Nick get anyone to come to the funeral?** Why can't Nick get anyone to come to Gatsby's funeral? Gatsby had no close friends. Klipspringer says he'll try to go, but probably won't come.

**What makes Nick assume responsibility for the funeral arrangements quizlet?** What makes Nick assume responsibility for the funeral arrangements? Nick assumed responsibility because no one else came forward to.

**Who did Nick get to come to the funeral?** "Life and death were much different for Gatsby, only a few genuinely cared for him." There were only a few people who attended Gatsby's funeral. Nick was there along with Gatsby's father (Henry Gatz), Owl Eyes, the minister, and a few of the house servants.
