Zulily Shipping Routing Guidelines: Questions and Answers

Q: What are Zulily's shipping routing guidelines?

A: Zulily partners with various carriers to optimize shipping efficiency and ensure timely delivery. These carriers include FedEx, UPS, USPS, and select regional carriers. The shipping route for each order is determined based on factors such as the order's destination, size, and weight, as well as the carrier's availability.

Q: Can I request a specific shipping carrier?

A: Zulily does not currently offer the option to request a specific shipping carrier. The shipping route for each order is automatically assigned based on the factors mentioned above. However, customers may request expedited shipping for an additional fee, which typically involves faster delivery times and allows for tracking and insurance.

Q: How can I track my order?

A: Once an order is shipped, customers will receive an email with a tracking number. They can use this number to track the progress of their delivery through the carrier's website or by contacting Zulily's customer support.

Q: What are the estimated delivery times for Zulily orders?

A: Standard shipping times vary depending on the shipping method selected and the order's destination. In general, orders shipped within the contiguous United States can take 5-10 business days to arrive, while orders shipped to Alaska, Hawaii, and Puerto Rico may take longer. Customers can refer to the estimated delivery date provided in their order confirmation for more specific information.

Q: Can I cancel my order after it has been shipped?

A: Once an order has been shipped, it cannot be canceled through Zulily's website. However, customers may be able to intercept the package by contacting the shipping carrier directly. It's important to act quickly, as most carriers have a limited timeframe for interception requests.
