## [Download Complete File](#)

**What is the prayer of Caleb?** O High King of Heaven, Have mercy on our Land. Revive your People. Send the Holy Spirit for the sake of the lost, the least and the broken. May your kingdom come to our nation In Jesus' mighty name.

**What is the prayer for anti aging?** May Christ keep me ever young "to the greater glory of God." For old age comes from Him, old age leads to Him, and old age will touch me only insofar as He wills. To be "young" means to be hopeful, energetic, smiling---and clear-sighted.

**Why is Caleb so important?** While we are not certain of Caleb's ancestry, we do know that he was a man of great faith. Other than Joshua, Caleb was the only spy sent into Canaan by Moses who believed God's promise that Israel would conquer the promised land, and he was promised an inheritance on account of his great faith (Num. 13).

**What was God's promise to Caleb?** God guaranteed Caleb an inheritance in the land of promise because "he followed the LORD, the God of Israel, completely" (Joshua 14:14). Forty years later, an eighty-five-year-old Caleb still displayed an unshakeable faith.

**What is the secret to aging gracefully?** Keep Moving. Staying young means staying active. Exercise has many benefits and is an important part of keeping your muscles toned, staving off chronic conditions, and keeping your mental state strong. And, regular exercise can actually make you look younger.

**What is the powerful prayer for the elderly?** Lord, you've promised to carry us even in our old age. We pray for a spiritual strengthening for those who find their bodies are failing. We are spirit more than flesh, Lord. Help our loved ones embrace this transition from flesh to spirit gracefully and with dignity.

**What is the secret to anti aging?** Get enough sleep, protect your skin with sunscreen, eat a balanced diet, exercise, and manage your stress. Your body changes as you get older, and the process of aging is normal. Talk with a healthcare provider if you have questions or concerns about the aging process.

**What is the lesson of Caleb in the Bible?** Joshua 15:13–19 tells how Caleb organized his family to fight the enemy and take the mountain, the walled city, and overcome the giants. Everything in life that is worth accomplishing has obstacles. But knowing God's will allows obstacles to become opportunities for Him to work through us.

**What is the Bible verse of Caleb?** Num. 14. [6] And Joshua the son of Nun, and Caleb the son of Jephunneh, which were of them that searched the land, rent their clothes: [24] But my servant Caleb, because he had another spirit with him, and hath followed me fully, him will I bring into the land whereinto he went; and his seed shall possess it.

**What is the Caleb spirit?** Even in his advanced years, Caleb still possessed a “different spirit” – a faith committed to following God's will. For forty years, he dreamed of a day when he, in the strength of the Lord, would drive the heathen from the land.

**What are the Caleb questions?** WHO CAN YOU AFFIRM AND BLESS? TO WHOM CAN YOU SHOW MERCY? WITH WHOM CAN YOU SHARE THE GOSPEL? are an initiative flowing out from the move of God at Ffald y Brenin as described in the best-selling book 'The Grace Outpouring'.
