Why was *The Americans* by Robert Frank so important? Through eighty-three photographs taken across the country, Frank unveiled an America that had gone previously unacknowledged—confronting its people with an underbelly of racial inequality, corruption and injustice, and the stark reality of the American Dream.

What was controversial about Robert Frank's book *The Americans*? Although his work was a labor of love, he clearly showed the ugly parts of American society, which included mass consumerism, racism, and the divide between the rich and poor. Frank was clear in saying that his work was a personal account of America, as he mentioned in *U.S. Camera Annual* 1958.

What was Robert Frank known for? Robert Frank (born November 9, 1924, Zürich, Switzerland—died September 9, 2019, Inverness, Nova Scotia, Canada) was a Swiss American photographer and director who was one of the most influential photographers of the mid-20th century, noted for his ironic renderings of American life.

How did people react to *The Americans* by Robert Frank? Not everyone was pleased about that. Frank was a ferocious enemy of sentimentality, and the America that he encountered was more troubled than he'd envisaged. Much of the contemporary reaction to his pictures portrayed them as the work of a mean-spirited foreigner out to smear the country that had taken him in.

What to read if you liked *The Americans*?

How many photos are in *The Americans* by Robert Frank? Like Frank's earlier books, the sequence of 83 pictures in *The Americans* is non-narrative and nonlinear; instead it uses thematic, formal, conceptual and linguistic devices to link the photographs.

What does Frank's *The Americans* book represent? The main themes of Robert Frank's *The Americans*, indicated by what he chose to photograph, included automotive culture, marginalized or overlooked people, the American flag, cowboys, machines, religion and religious institutions, and interactions between people.

Is *The Americans* based on a true story book? *The Americans* is partly inspired by real-life events. However, they were inspired by a number of people who really exist, one couple in particular: Elena Vavilova and Andrey Bezrukov, who later took on the identities of Canadian couple Tracey Lee Ann Foley and Donald Howard Heathfield.

What is the book *The American* about? The novel is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe.

What is Robert Frank diagnosed with? Robert Frank After a colonoscopy, his doctor said Frank had the worst colon he'd ever seen, and he was diagnosed with ulcerative colitis.

Why did Robert Frank move to America? Frustrated by the constraints of his homeland, Frank left Switzerland in 1947 and immigrated to the United States. Soon after he arrived in New York, he was hired by Alexey Brodovitch, the legendary art director of Harper's Bazaar.

What camera did Robert Frank use for *The Americans*? It is a Leica 3, manufactured from 1934 with serial number 132545. It is fitted unusually with a 50mm f/1.4 Nikkor s o lens, bearing the number 331845.

What is the story of *The Americans*? *The Americans* is a period drama about the complex marriage of two KGB spies posing as Americans in suburban Washington D.C. during the Reagan administration.

Who shocked Americans with realistic photographs of the war? In 1862 Brady shocked America by displaying Alexander Gardner's and James Gibson's photographs of battlefield corpses from Antietam. This exhibition marked the first time most people witnessed the carnage of war. The New York Times said that Brady had brought "home to us the terrible reality and earnestness of war."

Who coined the term decisive moment? Photographer Henri Cartier-Bresson is rightfully recognized as a master of the craft. He was one of the first true street photographers and artfully captured everyday life through the lens. But he also
