also been called the book of prophecy (cf. Rev 22:19).

**What is the overall lesson of the Book of Revelation?** Revelation prepares believers to walk with Christ through tribulation. Acknowledge that we live in the last days because Christ has accomplished redemption, and trust that the exalted Lamb is executing God's decree and leading the church through its eschatological woes to reach the kingdom.

**What will happen to Earth after Judgement Day?** After the final judgement, Death and Hades will be thrown into the Lake of Fire and get destroyed (Revelation 20:14). Jesus also said that Heaven and Earth will pass away (Matthew 24:35), and Peter said that we are awaiting New Heavens and a New Earth (2 Peter 3:13).

**Will we recognize each other in heaven?** The basis of Paul's encouragement and comfort is that we'll be together with those we love and with the Lord forever in heaven. **Why is the Book of Revelation so hard to understand?** Because of intricate and unusual symbolic language, the Book of Revelation is hard for modern people to read. They are not used to this kind of literature. Not so for people in the ancient world who would have been more accustomed to the complex nature of apocalyptic literature.

**What is the real message of Revelation?** However, a look at the context, interpretation, and purpose of Revelation helps to demystify the book and reveal that all the apocalyptic imagery and symbolism point to a simple, consistent, and comforting message: Jesus Christ has won the battle against evil and God's kingdom will endure forever.

**What is the best explanation of the book of Revelations?** The book is filled with visions and images that point to Jesus' return as the ultimate King, where he will restore his people and usher in the new creation. This promise motivates every generation of God's people to remain faithful in the midst of persecution and hardship.

**What is the big idea of the book of Revelation?** The Theme of the Book of Revelation God the Father is on his throne and in His hand is a scroll, which is the title deed of the earth. **Why is the book of Revelation important to Christians?** But Revelation is an intensely practical book, relevant to everyday life for us as disciples of Jesus Christ, encouraging us along the way and also equipping us for what we encounter. Our Lord speaks to equip us for life as His disciples in what can be a hostile and inhospitable world.

**Where in the Bible does it say the earth will end in fire?** He is patient with you, not wanting anyone to perish, but everyone to come to repentance. But the day of the Lord will come like a thief. The heavens will disappear with a roar; the elements will be destroyed by fire, and the earth and everything in it will be laid bare.

**Will God destroy the earth when Jesus returns?** On the day that Christ returns (i.e., "the last day"), all of the dead will be raised at the same time (John 5:28-29) and all people will be removed from the earth (1 Thess. 4:16-17). At that time, the Bible plainly teaches that this material planet, and everything in it, will be destroyed by fire.

**Where in the Bible does it say the earth will be destroyed?** 2Pe 3:10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

**Where do souls go before Judgement Day?** At death, body and soul separate, and judgment takes place (Hebrews 9:27). Souls are in heaven or hell based on the presence or absence of Christian faith (Mark 16:16).

**How many years will the Day of Judgment last?** Sinners and nonbelievers will suffer and sweat longer on this day, which some say will last for "50,000 years" (based on Q. 70:4) and others only 1000 (based on Q. 32:5).

**What will the new earth be like according to the Bible?** All things will be made new. Death will be replaced with life. The whole earth will be a recreation of the garden, and the glory of the temple will cover it. Every nation will be blessed through the power of the resurrected Jesus, and God's own personal presence will permeate every square inch of the new creation.

**How long does it take to go to heaven after death?** Most have chosen to believe what the Bible appears to overwhelmingly propose: our souls (spirits) penetrate heaven immediately after we take our final breath. Our re-made bodies are later reunited with our spirits at the Resurrection.

**What happens to married couples in heaven?** Everyone who wants a spiritual marriage will have one. We will find a soul mate if that is what we want, someone who we can love and grow with to eternity. Married couples in heaven experience a deepening love forever.

**Will our bodies be different in heaven?** The Bible says, "for the LORD does not see as man sees; for man looks at the outward appearance, but the LORD looks at the heart" (1 Samuel 16:7 NKJV). Part of Heaven's glory is that our bodies will be transformed, and we will become like Jesus Christ in His perfect resurrected body.

**What is the main idea of the book of Revelations?** The Book of Revelation communicates the future of the world. The author believes the followers of Christ will be rewarded with paradise, while the enemies of the world will be punished by a

**What is the real message of Revelation?** However, a look at the context, interpretation, and purpose of Revelation helps to demystify the book and reveal that all the apocalyptic imagery and symbolism point to a simple, consistent, and comforting message: Jesus Christ has won the battle against evil and God's kingdom will endure forever.

**Why is the book of Revelation so important?** But Revelation is an intensely practical book, relevant to everyday life for us as disciples of Jesus Christ, encouraging us along the way and also equipping us for what we encounter. Our Lord speaks to equip us for life as His disciples in what can be a hostile and inhospitable world.

**Why did Jesus give John the book of Revelation?** Purpose and theme. The Revelation (i.e., Apocalypse) to John is an answer in apocalyptic terms to the needs of the church in time of persecution, as it awaits the end-time expected in the near future. The purpose of the book is to encourage and admonish the church to be steadfast and endure.

**What is the warning in Revelation?** “To him who overcomes, I will grant to eat of the tree of life which is in the Paradise of God” (Revelation 2:7b). Why does Jesus give such a stern warning? Because leaving our first love is extremely dangerous. It puts us in danger of falling away from the Lord completely and missing out on Heaven.
