**What are the essential questions in The Piano Lesson August Wilson?**

**What is the short summary of The Piano Lesson by August Wilson?** The play focuses on the arguments between a brother and a sister who have different ideas on what to do with the piano. The brother, Boy Willie, is a sharecropper who wants to sell the piano to buy the land (Sutter's land) where his ancestors toiled as slaves.

**Is there a movie version of The Piano Lesson?** Release. The film's international premiere has been announced as a special presentation at the 2024 Toronto International Film Festival. **What is the point of The Piano Lesson?** What is The Piano Lesson about? Set in 1936 Pittsburgh during the aftermath of the Great Depression, The Piano Lesson follows the lives of the Charles family in the Doaker Charles household and an heirloom, the family piano, which documents the family history through carvings made by their enslaved ancestor.

**What is the symbolism of The Piano Lesson?** Carved to placate Miss Ophelia, the piano's wooden figures indicate the interchangeable nature of slave and ornament for the master. Under Willie Boy's hands, however, the piano also

becomes both a symbolic attempt to keep the family together and the physical record of the family's history.

**How does The Piano Lesson end?** Boy Charles died along with the hobos in his car, all of whom became the ghosts of the railroad. Once Doaker has finished his story, Willie and Lymon attempt to move the piano. Berniece enters and commands Willie to stop, since the piano is their legacy.

**What is the theme of The Piano Lesson summary?** Spirituality and the Supernatural The Piano Lesson is strongly characterized by spiritual and supernatural elements. For example, Avery's ambition to become a Christian preacher and start a church is presented in a sincere and favorable light.

**Who is Lymon in The Piano Lesson?** Lymon. Boy Willie's longtime friend. The twenty-nine-year-old Lymon is more taciturn than his partner, speaking with a disarming "straightforwardness." Fleeing the law, he plans to stay in the north and begin life anew.

**What is the yellow dog in The Piano Lesson?** The Ghosts of the Yellow Dog take the role of ancestors of the African American slaves - they hold special significance for the family in the play, as Boy Charles is the prominent figure among the Ghosts.

**Who is Doaker in The Piano Lesson?** DOAKER: Doaker is the tall, thin, forty-seven year old uncle to Berniece and Boy Willie. He has worked for the railroad his whole life—first laying rail and then as a cook. He functions as the family patriarch and the play's oral historian, recounting stories, many about the piano's history.

**What is The Piano Lesson critical analysis?** The Piano Lesson is actually about the lessons left to the estranged siblings by their ancestors. The piano in the play is a symbol of the past and the future of the Charles family. It stands for a family accepting and owning their past and leveraging their combined strength to beat the odds.

**Who bought The Piano in The Piano Lesson?** The piano was originally owned by the Sutters, a family of enslavers. The Sutters traded two enslaved members of the Charles family for the piano— Mama Berniece and Papa Boy Charles. Years later, Papa Boy Willie carved pictures of his family into the piano as a way to remember

them.

**Is The Piano Lesson a ghost story?** As a play concerned with trans-generational memory, The Piano Lesson is appropriately haunted by ghosts: the ghost of Sutter, the Ghosts of the Yellow Dog, the ghosts of the ancestors, and, in a less supernatural sense, those of Crawley and Cleotha.

**Do they sell The Piano in The Piano Lesson?** Mississippi land that their family had worked as slaves, plans to sell their antique piano for The cash he needs stake his future. Berniece refuses to sell, though, clingin the piano as a reminder of the history that is their family legacy.

**Who stole the piano in The Piano Lesson?** Boy Charles was obsessed with the Sutter piano his whole life, believing that as long as the Sutters owned the piano, they effectively still enslaved the family, too. After Boy Charles's brothers helped him steal the piano from the Sutter home, Sutter had Boy Charles tracked down and killed in retaliation.

**Why is it called The Piano Lesson?** “I got the title from a Romare Bearden painting. It's a painting of a woman, a piano, and a little girl playing the piano. The woman is standing over her, and I heard the woman in my mind admonishing the little girl: Now you, Maretha, get your piano lesson. That's how it started.

**Why is Sutter's ghost holding down the top of his head?** Berniece describes seeing Sutter hold onto the top of his head as if to keep it from falling off. He was calling out for Boy Willie. Berniece says she believes that Boy Willie pushed Sutter into the well and caused his death.

**What does the title piano lesson mean?** As noted in the Background Essay, Wilson offers the piano lesson as a metaphor for the teaching and learning of one's legacy. In the short lesson at hand, Maretha reveals that Berniece has not told her of the piano's history, causing her uncle to promise to tell her of its past if her mother will not.

**What happened to Sutter in The Piano Lesson?** Sutter was a large man, about 340 pounds. Before the beginning of the play, he was killed when he fell into his well.

**What is the central conflict of The Piano Lesson?** The central conflict is between Boy Willie and his sister, Berniece, and what will happen to the piano. The play is rich with symbolism. "This play is the story of the Charles family and its efforts to exorcise the ghosts that haunt it" (Pereira 87). August Wilson was meticulous in his representations of the times.

**What is the allegory of The Piano Lesson?** Put it all together, and you can say that the piano represents slavery itself. The piano is more than just a symbol of slavery though. It's also represents the strength and resiliency of the Charles family. Miss Ophelia, Sutter's wife, started to really miss Berniece and Boy Willie's great grandmother and grandfather.

**Why does Berniece want to keep the piano in The Piano Lesson?** For Berniece, the piano embodies more than family history; it symbolizes the Charles family's endurance through slavery and Reconstruction.

**What is the theme of The Piano Lesson summary?** Spirituality and the Supernatural The Piano Lesson is strongly characterized by spiritual and supernatural elements. For example, Avery's ambition to become a Christian

preacher and start a church is presented in a sincere and favorable light.
