

# ILIAD PASSAGE WITH MULTIPLE CHOICE QUESTIONS

## [Download Complete File](#)

**What are some famous passages in The Iliad?**

**What are the most important points in The Iliad?** Love and friendship, fate and free will, and honor are the main themes of Homer's The Iliad. All three themes follow Achilles and the other main characters of the epic poem. We see how Achilles' friendship with Patroclus and his hunger for honor guides much of the epic, which lead to both his and Hector's demises.

**What is a short summary of book 3 of The Iliad?** Book 3 of The Iliad is about Paris and Menelaus fighting in single combat. Paris and Menelaus decide to fight one-on-one to choose who will win Helen. They both fight, and Menelaus is about to beat and kill Paris until Aphrodite takes Paris away from the battle and saves his life.

**What is a trivia about The Iliad?** The Iliad takes place during the Trojan War, which is a legendary conflict between the Greeks and Troy, dated by later Greek authors to the 12th or 13th century BCE. The historical accuracy of the Trojan War is debated, some believing that while Troy may have existed, a war on such a large scale is improbable.

**What was Achilles' famous quote?** Achilles: [to his men] Myrmidons! My brothers of the sword! I would rather fight beside you than any army of thousands! Let no man forget how menacing we are, we are lions!

**What is the easiest translation of The Iliad to read?** There are literally hundreds of translations of the Iliad you could pick up today, but in the end, the best translation of Homer's epic poem is the one you actually read. If you're a first-time reader and

are looking for a more approachable version of the Iliad, I highly recommend the 1 Robert Fagles translation.

**What was the most significant lesson from the Iliad?** Perhaps the most important lesson of the poem is that life simply isn't fair. This is often seen through the occasionally arbitrary decisions of the gods, who make events on Earth go in the direction they prefer, often regardless of how people have behaved.

**Who is the most important character in the Iliad?** Achilles The central character of the Iliad and the greatest warrior in the Achaian army. The most significant flaw in the temperament of Achilles is his excessive pride. He is willing to subvert the good of the whole army and to endanger the lives of those who are closest to him to achieve emotional blackmail.

**What is the deeper importance of the Iliad?** Insights Into History. No single text has provided more insight into the lives of the ancient Greeks as The Iliad. It's much more than a mythological tale, it's also a historical text. Through The Iliad, historians have learned about the Trojan War, the defining conflict of the era.

**Who is Achilles' most beloved companion?** Achilles' strongest interpersonal bond is with Patroclus. As Gregory Nagy points out: For Achilles [...] in his own ascending scale of affection as dramatized by the entire composition of the Iliad, the highest place must belong to Patroklos [...]

**Who was Achilles' dearest or favorite person?** Patroklos as the personal therap?n of Achilles is thereby also the nearest and dearest of all the comrades of Achilles. This closeness is measured in terms of the word philos in the sense of being 'near and dear' to someone. Achilles considers Patroklos to be the most philos, 'near and dear', of them all.

**Why does Hektor insult Paris in book 3 of The Iliad?** Hector, Paris's brother and the leader of the Trojan forces, chastises Paris for his cowardice. Stung by Hector's insult, Paris finally agrees to a duel with Menelaus, declaring that the contest will establish peace between Trojans and Achaeans by deciding once and for all which man shall have Helen as his wife.

**What is the most important part of The Iliad?** The most critical conflict in the Iliad is the conflict between the Greeks and the Trojans that has caused the Trojan War. A secondary conflict between Achilles and Agamemnon also drives the plot.

**Why is it called Iliad?** Title History Don't worry, because the title of the poem is actually derived from Greek! The title of Homer's epic is actually from the phrase Ilios poiesis, meaning "poem of Ilion. " Ilion is the ancient name for the city of Troy. So literally, The Iliad means "poem of Troy.

**What was the main problem in The Iliad?** While Achilles's battle with Agamemnon is the main conflict in the epic, The Iliad is probably most known for the conflicts caused by Helen of Troy. Known as the most beautiful woman in the world, Helen of Troy is often stated as the immediate cause of the Trojan War.

**What did Achilles call Patroclus?** Ultimately it's not stated whether they had sex or not, but their relation is above friendship. Achilles refers to Patroclus as polyphiltatos. This can be translated as "the most beloved (philos) by far".

**How did Achilles say I love you?** When he says "ily", but Achilles once said "i would recognize you in total darkness, were you mute and i deaf. i would recognize you in another lifetime entirely, in different bodies, different times. and i would love you in all of this, until the very last star in the sky burnt out into oblivion.

**Who did Achilles love?** Also, Achilles is the lover of Briseis and is known to have a deep and meaningful friendship with Patroclus. In contemporary times, the question of who Achilles loved has sometimes been raised, as some scholars have speculated in their analyses of the Iliad that Achilles and Patroclus may have been lovers.

**What is the first word in The Iliad?** The first word of "The Iliad" in the original Greek is "m?nin," from "m?nis": a word that connotes a divine, superhuman kind of rage.

**Why is The Iliad hard to read?** The Iliad can be rather challenging as the lists of names alone is overwhelming! You may want to watch the movie Troy. Patroclus isn't given much in the film, but you'll get a good introduction to the ideas and visuals to help your "theater of the mind" while reading this.

**How many hours does it take to read The Iliad?** The Iliad is just over 15,000 lines long. It takes around 15 hours to read the entire thing out loud, so a fast reader should be able to cut that time in half when reading silently.

**What is the important scene in Iliad?** The end of Book VI is the famous scene between Hector and Andromache and their infant son, Astyanax. Most commentators consider this scene to be the most moving in the Iliad. It is a portrait of the warrior at home, war forgotten as he watches his son play and talks with his wife.

**What happened in Book 14 of The Iliad?** Summary: Book 14 Agamemnon proposes giving up and setting sail for home. Odysseus wheels on him and declares this notion cowardly and disgraceful. Diomedes urges them all to the line to rally their troops. As they set out, Poseidon encourages Agamemnon and gives added strength to the Achaean army.

**What was the famous quote of the Trojan War?** There is victory of skill over strength. I must be the first man on earth who has gone so far as to kiss the hands of the slayer of so many sons. Get up old man. Our griefs are only the common lot of mankind, after all.

**What is a quote from Book 6 of The Iliad?** Even as are the generations of leaves, such are those also of men. As for the leaves, the wind scattereth some upon the earth, but the forest, as it bourgeons, putteth forth others when the season of spring is come; even so of men one generation springeth up and another passeth away.
